Consisting of as choice a line of fine and fast Horses as have been offered to the public this season either by auction or at private sale, viz:—
Handsome high bred and fast team of blood bays, Mambrino trotting Mares, full sisters, 6 and 7 years old, 15¾ high, with fine flowing manes and tails; were both sired by Mambrino Chief and raised in Kentucky; they are closely mated, and can scarcely be distinguished from each other when standing or driving; they are extra fine and genteel drivers, either single or double, and drive together like one horse. They trotted together last fall in 2:51½, and the one trotted a dead heat in 2:41; they can beat 2:45 and day, and are warranted sound and kind; believed to be the finest, fastest and handsomest pair of young Mares in the State.
Brown trotting Horse, Captain Gillmore, half brother to Tackey; about 15½ high, 8 years old; is extra fine, genteel and rich; gentleman's roadster, with fine style; well behaved and honest, fears nothing, and is warranted to beat 2:35 and to beat 2:41 to road wagon; warranted sound and kind; his equal for speed and fine bloodlike appearance is seldom found.
Fine young, high bred chestnut Rashaw Mare, 15½ high, 5 years old; can beat 3 minutes now and promises well.
Fine large brown Horse, 16 high, 7 years old; cannot be surpassed for style, action, beauty and elegance.
Also four other fine horses, including speed and general driving horses. Full description of all in Tuesday's Herald and at sale.
This stock, in part, is the balance and choice of a lot of 19 brought here early this season by Mr. Burroughs from Kentucky, and who, by reason of severe sickness, was compelled to return home, and now orders them sold by public auction to the highest bidder; the balance belong to a private gentleman about sailing for Europe.
All this stock is offered to the public for positive and peremptory sale to highest bidder, without the least limit, restriction or reservation whatever, and gentlemen wishing to purchase should attend sale, as all the stock will be warranted as represented in every particular, and a fair trial given.
Stock can be seen and examined at stable 47 Great Jones street, from Monday morning until sale. They must be seen to be appreciated.

FINANCIAL.

A 1B LINE BONDS.
CONNECTICUT INVESTORS
will find the First Mortgage bonds of the New Haven, Middletown and Willimantic Railroad Company the most desirable form of investment now offered in the market.
The Bonds are exempt from every form of State or local taxation and from the United States income tax.
The average saving thus made will amount to two and one-half per cent, which, added to the interest received, makes them equal to a bond paying nine and one-half per cent, and this rate of income is not affected by a decline in gold.
The bonds are issued only as the work progresses, and for but one-half of the actual cash expenditures on the road. They are secured by a first mortgage on all the property of the company, of whatever kind. The State of Connecticut is made trustee for the bondholders, and every bond must be issued from the office of and be countersigned by the Comptroller. They are issued in denominations of $500 and $1,000, are coupon or registered, have twenty years to run, and are payable, principal and interest, in New York. The bonds are offered at par and interest.
