HOME OF YOUR OWN IS A HOME INDEED

Your Home is in North Anderson.

FOR HOMES, SEE JOHN LINLEY

Many of Anderson's representative citizens have bought for their future homes in NORTH ANDERSON, thereby endorsing the location and prices of these beautiful lots and the POLICY of this company.

NORTH ANDERSON has aroused much more interest than any other property ever offered for sale in Anderson. Why? Because it carries more exceptional advantages as a strictly HIGH CLASS and exclusive residence section.

There is no expenditure which a family makes—outside of its actual business activities—from which more returns on the investment are demanded than in the purchase of Real Estate and, more particularly, a home site. And figured in the broad sense, there is no investment that will pay better dividends than will a NORTH ANDERSON lot properly improved with a home. It will pay the dividends of healthfulness that comes from pure air, broad streets and open country. It will pay the dividends of joy and happiness that is given greater abundance by a home in a delightful residence neighborhood of CHARM and CHARACTER.

And in addition to all these—which are priceless—you know that your investment not only does NOT depreciate, but grows in VALUE in the sound, consistent manner that makes the best security on earth. And—remember our "Profit Sharing" proposition that makes each purchaser of the first seventy five lots a partner in the profits for the next three years. Quite a few of these lots have already been sold, and they are going fast, so don't put off buying that lot. Do it TODAY.
