SPECIAL NOTICES.

AT A MEETING OF THE SEVENTEENTH WARD FRIENDSHIP DEMOCRATIC ASSOCIATION, HELD THIS EVENING, THE FOLLOWING RESOLUTIONS WERE UNANIMOUSLY ADOPTED:—

Resolved, That all democrats should discountenance unnecessary and mischievous agitation within our councils, and we reprobate all those who in the early part of the Legislative session fomented disturbances, which, if they had only resulted in disgusting the country democrats with the faro bank leaders who shouted reform, but meant plunder, would have caused but little harm, but they also resulted in clogging the passage of a just Excise law, and hazarding the abolition of radical abuses.

Resolved, That chief among these disorganizers we have regretted to see our Senator, Thomas J. Creamer. In his speech at the seceding meeting of disorganizers last night he spoke of having "consented to accept our nomination," when we all know it was forced upon us by trick, and only acquiesced in afterwards lest the district should be lost.

Resolved, That upon cause and facts known to all, we denounce him as a restless, ambitious, selfish demagogue and hypocrite. Last year we lost an Excise bill by his absence from his seat in the Senate when it came up for passage.

He attacks democrats on the ground that they combine with radicals for place and power when he holds a ten thousand dollar a year office in a combination with two radicals that he himself invented and whom he lobbied with to procure the place.

He storms against persons holding two offices at a time when he is both Tax Commissioner and State Senator, and is in Albany when the making up of the spring assessments demands his presence in New York. We believe that his ingratitude to old friends and his contemptuous disregard of the masses since his head has been turned by his aspirations for Mayor entitle the people of his district to call upon him to resign.

Resolved, That we commend the quiet patriotism and effective leadership which was in Albany inaugurating democratic reform while selfish malcontents were stirring up bad blood in Irving Hall and resolving to do something.
