Chapter 314.

An act to provide for submitting to the electors of this State, at the general election to be held on the Tuesday following the first Monday of November, 1873, the question whether the offices of Chief Judge and Associate Judge of the Court of Appeals, of Justices of the Supreme Court, of the Judge of the Superior Court of the city of New York, of the Judge of the Court of Common Pleas of the city and county of New York, of the Judge of the Superior Court of Buffalo, of the Judge of the Superior Court of the city of Brooklyn, of the County Judge of the several counties of this State, shall be hereafter filled by appointment, pursuant to section 17, article 6, of the constitution.

Passed April 26, 1873, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:—

SECTION 1.—The question whether the offices of Chief Judge and Associate Judge of the Court of Appeals, the Justices of the Supreme Court, the Judges of the Superior Court of the city of New York, of the Court of Common Pleas of the city and county of New York, of the Superior Court of Buffalo, of the City Court of Brooklyn and the County Judge of the several counties of this State, shall hereafter be filled by appointment, shall be submitted to the electors of this State at the general election to be held on the Tuesday succeeding the first Monday of November next, as provided in section 17 of article 6 of the constitution of this State, in the manner hereinafter mentioned.

SEC. 2.—The Inspectors of Election in each Election District in the State shall provide two boxes, in which they shall deposit the ballots of the electors upon the question whether the Judges and Justices of the several courts named in the first section of this act shall hereafter be filled by appointment. One of said boxes shall be labelled "Appointment or election of the Chief Judge and Associate Judges of the Court of Appeals and of Justices of the Supreme Court." The other one shall be labelled "Appointment or election of Judges of City and County Courts." Each citizen entitled to vote at such election may vote two ballots, as follows:—One of them shall be endorsed "Appointment or election of the Chief Judge and Associate Judges of the Court of Appeals, and of Justices of the Supreme Court," and shall contain on the inside, when folded, the words, "Shall the offices of the Chief Judge and Associate Judge of the Court of Appeals and of the Justices of the Supreme Court be hereafter filled by appointment—Yes," or the words, "Shall the offices of Chief Judge and Associate Judges of the Court of Appeals and of the Justices of the Supreme Court be hereafter filled by appointment—No;" and all such ballots shall be deposited in the boxes labelled "Appointment or election of Chief Judge and Associate Judges of the Court of Appeals and Justices of the Supreme Court." The other of said ballots shall be endorsed, "Appointment or election of Judges of City and County Courts," and on the inside, when folded, shall contain the words, "Shall the offices of the Judge of the Superior Court of the city of New York, of the Judge of the Court of Common Pleas of the city and county of New York, of the Judge of the Superior Court of Buffalo, of the Judge of the City Court of Brooklyn, of the County Judge of the several counties of this State, be hereafter filled by appointment—Yes," or the words, "Shall the offices of the Judge of the Superior Court of the city of New York, of the Judge of the Court of Common Pleas of the city and county of New York, of the Judge of the Superior Court of Buffalo, of the City Court of Brooklyn, of the County Judge of the several counties of this State, be hereafter filled by appointment—No." And all such ballots shall be deposited in the boxes labelled "Appointment or election of the Judges of the City and County Courts."

SEC. 3.—The Inspectors of Election in each Election District, after the closing of the polls of such election, shall count and canvass, separately, the ballots deposited in each of the said boxes in the manner prescribed by law in reference to other elections, and shall ascertain the whole number of ballots upon each of the questions to be submitted as aforesaid. The inspectors, after having so counted said ballots, shall set down in writing the whole number of such ballots upon each question, and the whole number for and against each of the said questions, and shall certify and make a return of the said several votes in the same manner as prescribed by law in reference to other ballots at a general election.

SEC. 4.—The votes so given shall be canvassed by the several Boards of County Canvassers, at the next meeting thereof after such election, and the aggregate results in the several counties shall be canvassed and certified by the Board of State Canvassers. The existing law in reference to a general election shall, in all respects, so far as applicable, apply to and regulate the proceedings and duties of the said board of County and State Canvassers, and of the County Clerks and Secretary of State. From the statements made to the Board of State Canvassers it shall determine whether a majority of the votes upon the questions submitted to the electors of the State, as herein provided, be in the affirmative or negative. The said Board shall make a certificate of such determination, and shall deliver the same to the Secretary of State, who shall file the same in his office.

SEC. 5.—If a majority of all the ballots endorsed "Appointment or election of Chief Judge and Associate Judges of the Court of Appeals and of Justices of the Supreme Court" shall be in the affirmative, then the said officers shall not after said election be elective, but, as vacancies occur, they shall be filled by appointment by the Governor, by and with the advice and consent of the Senate, or if the Senate be not in session, by the Governor; but in such case he shall nominate to the Senate, when next convened, and such appointment by the Governor alone shall expire at the end of that session; but if the majority of said ballots so endorsed be in the negative, then the said officers shall be elective as heretofore. If a majority of the ballots endorsed "Appointment or election of Judges of City and County Courts" shall contain on the inside the question as hereinbefore provided, answered in the affirmative, then the said officers mentioned in the said question shall not after said election be elective, but as vacancies occur they shall be filled by appointment by the Governor, by and with the advice and consent of the Senate, or if the Senate be not in session by the Governor; but in such case he shall nominate to the Senate, when next convened, and such appointment by the Governor alone shall expire at the end of that session; but if a majority of the ballots so endorsed shall be answered in the negative, then the said officers shall be elected as heretofore.

SEC. 6.—It shall be the duty of the Secretary of State to cause the said questions, together with the terms of the ballots as herein specified, to be published in two or more newspapers in each of the counties of this State, the same number of times prior to the said election as is now required by law to be published of the officers to be elected and the offices to be filled at such election; such newspapers to be designated by the Secretary of State in the manner now provided by law for designating newspapers to publish election notices; but no neglect or failure to publish, or informality of publication shall impair the validity of such election.

SEC. 7.—It shall be the duty of the Secretary of State to include in and cause to be published with the election notices for the said general election a notice in substance and effect as follows:—"Pursuant to section 17 of article 6 of the constitution of this State, two questions will be submitted to the electors of this State, to be voted upon separate ballots, as follows:—1. Shall the offices of Chief Judge and Associate Judge of the Court of Appeals, and of Justice of the Supreme Court be hereafter filled by appointment? 2. Shall the offices of the Judge of the Superior Court of the city of New York, the Court of Common Pleas of the city and county of New York, the Judge of the Superior Court of Buffalo, the Judge of the City Court of Brooklyn, and the Judge of the County Courts of the several counties of this State be hereafter filled by appointment?" And at such election each elector will be entitled to vote separately for or against each of said questions, and if a majority of the votes shall be in the affirmative of said questions then the said Judges and Justices therein referred to, after said election, as vacancies occur, will be appointed by the Governor, as provided by law. No failure or omission to give notice, or any informality in the notice or the giving thereof, shall impair the validity of such notice or the election herein provided for.

SEC. 8.—This act shall take effect immediately.

Chapter 613.

An act to provide for the annexation of the towns of Morrisania, West Farms and Kingsbridge, in the county of Westchester, to the city and county of New York.

Passed May 23, 1873, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:—

* * * * * * * * * * * * *

SEC. 17.—At the next general election held in this State after the passage of this act there shall be provided by the proper authorities in each election district within the city and county of New York, and in each election district in the several towns of the county of Westchester, a separate box, in which the inspectors of election in each of said election districts shall deposit the ballots presented to them by the electors of said districts, which ballots shall have on the outside thereof the following word, "Annexation," and on the inside of each of said ballots shall be the words, "For the annexation of the towns of Morrisania, West Farms and Kingsbridge to the city and county of New York," or the following words, "Against the annexation of the towns of Morrisania, West Farms and Kingsbridge to the city and county of New York." Such ballots shall be so folded as to conceal all the words therein except "Annexation;" such ballots shall be canvassed and returned in the same manner as votes given for State officers are by law required to be canvassed and returned. If upon such return it shall appear that a majority of all the ballots so cast shall contain the words, "Against the annexation of the towns of Morrisania, West Farms and Kingsbridge to the city and county of New York," then it shall be the duty of the Secretary of State to make and file a certificate of such result in his office within ten days after such return, and upon filing such certificate this act shall be inoperative and void.

SEC. 18.—This act shall take effect on the first day of January, eighteen hundred and seventy-four, except as to such parts as are otherwise provided for, and as to such parts it shall take effect at the time or times in this act specified; and except also as to section seventeen which shall take effect immediately.

Yours respectfully,
