PROPOSALS.

PROPOSALS for Wrought and Cast Iron Work for the United States Court House and Post Office, New York city.
UNITED STATES COURT HOUSE AND POST OFFICE, NEW YORK CITY, OFFICE OF SUPERINTENDENT, Oct. 20, 1873.
Sealed proposals will be received at the office of the Superintendent until 12 M. of the 10th day of November 1873, for furnishing, delivering, fitting and putting in place the wrought and cast iron work of the window frames, architraves, finishings and sashes of the external openings of the first story, the window frames, architraves and finishings of the external openings of the second, third and fourth stories and the door frames, architraves and finishings of the interior openings of the second, third and fourth stories, all as exhibited on the drawings described in the specifications and called for in the schedule.
Copies of the drawings, specifications and schedule may be had on application at this office.
All scaffolding required by the contractors to put the work in place will be furnished by the government, free of charge, but will be erected by the contractors.
Proposals will be made by the piece for the various articles of wrought and cast iron work, as provided for in the schedule.
The work will not be subdivided among different bidders, but will be considered in the aggregate.
The whole of the work to the first story must be delivered and set in position within four months from date of acceptance of proposal, and the remainder of the work as rapidly as required by the Superintendent and the progress of the work on the building.
Payments will be made monthly, deducting ten per cent, until the final completion of the contract.
All bids must be accompanied by a penal bond, in the sum of twenty-five thousand dollars ($25,000), that the bidder will accept and perform the contract if awarded him, the sufficiency of the security to be certified by the United States Judge, Clerk of the United States Court or the District Attorney of the district wherein he resides.
The Department reserves the right to reject any or all bids if it be deemed for the interest of the government to do so, and any bid that is not made on the printed form, to be obtained in this office, and does not conform in every respect to the requirements of this advertisement, will not be considered; neither will any proposal be received from parties who are not themselves engaged in the manufacture of wrought or cast iron work, and who have not the necessary facilities for getting out the work.
Proposals will be enclosed in a sealed envelope, endorsed "Bids for iron work," and addressed to C. T. HULBURD, Superintendent.
