EPPS' COCOA. (Breakfast). Grateful, comforting. "By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us, ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette. Made simply with boiling water or milk. SKIN DISEASES A SPECIALTY.—PRURIGO (INtense itching) begins at night as soon as the clothing is removed; and is increased by the warmth of the bed. There is no eruption but that caused by scratching. The desire to scratch is uncontrollable. The sufferer feels as if he could tear the skin off the flesh, and if he did not scratch would go crazy. He often tears himself cruelly with his nails at night. White, Itchy and Scaly Tetter of the Scalp.—The scalp becomes itchy, tender and covered with thin, fine white scales. They form again as fast as they are combed, brushed or washed off; are worse over the ears and on top of the head. It ruins the hair, affects both sexes, and should receive prompt treatment. The above and every form of skin diseases cured by special treatment by Dr. VAN DYKE, office 6 West 16th st. Hours, 9 to 7; Sundays, 9 to 3.
