A Spring Medicine.—NOW IS THE TIME TO PURIFY YOUR BLOOD.
DR. McCLINTOCK'S
CELEBRATED TONIC ALTERATIVE SIRUP,
FOR PURIFYING THE BLOOD.
This great remedy, combined from the concentrated juices of Spanish Sarsaparilla and over twenty American medicinal plants of the utmost virtue for renovating the blood and purifying the system of morbid humors and acrid secretions of all kinds, has been used by Prof. McClintock for thirty years, with unbounded success, in the treatment of
Skin Diseases such as Tetter, Scurvy, Itch, Erysipelas, Ringworm, Pimples, Boils, Blotches, Felons, Barber's Itch, Scald-Head, Sore Mouth, Running Sores, Ulcers, Salt Rheum, &c.
All Scrofulous Diseases, White Swelling, Sores in the Neck, or painful Swellings and Sores on the Limbs and Joints, Sore Eyes, Bad Breath, Loosening of the Teeth, Tubercles in the Lungs or Liver, Kidney Disease, Weak Spine, &c.
Diseases caused by the abuse of Mercury and Chronic Rheumatism or Gout.
These diseases all arise from a *taint* in the system, or are aggravated by that fruitful source of misery,
IMPURITY OF THE BLOOD.
It cannot be too strongly recommended to all persons suffering as above, to make a thorough and immediate trial of Dr. McClintock's Tonic Alterative Sirup.
One bottle will invariably produce relief, and its faithful use has never failed to overcome the most obstinate cases.
AS A SPRING PURIFIER,
To arouse the Liver, Skin and Bowels to a healthy action, give tone to the stomach, remove the accumulations caused by hearty diet, indigestion, want of exercise, or the effects of sickness, and thus prepare the system to withstand the change of season from cold to excessive heat.
Dr. McClintock's Tonic Alterative Sirup is put up in large bottles, with full directions for use. Price $1 per bottle, or six bottles for $5
Sold by Druggists generally, and by
A. CUSHMAN & Co., Sole Proprietors,
No. 122 Fulton-st., New-York.

Notice to the Public.—The breaking up of the cold weather, and the presence of spring excite the bile and inertia of our citizens, causing a feeling of lassitude and heaviness, aching and dizziness of the head, and what is commonly known as SPRING FEVER. And why? Because the sudden change of weather calls all the impurities and secretions of the system into action, and the results are the ills complained of; but there is a sure and certain remedy,
"THE BLOOD IS THE LIFE,"
and if the BLOOD be free from all impurities and putrid humors, there will be no disease.
DR. TOWNSEND'S SARSAPARILLA,
as manufactured under the direction of the celebrated chemist and physician, Dr. JAMES R. CHILTON, is the only effective and permanent
RENOVATOR AND PURIFIER OF THE BLOOD,
as it contains all the vegetable substances which experience has tested and proved useful in
ERADICATING DISEASE FROM THE SYSTEM.
A few bottles will most effectually regulate and cleanse the system, and
KEEP THE BLOOD PURE.

Bronchitis, Coughs, Colds, Etc.—"BROWN'S BRONCHIAL TROCHES.—We are recording public speakers, vocalists, and others who are affected with hoarseness incidental to speaking or sudden changes of climate, a benefit, if they will but follow our experience, by drawing their attention to these valuable BRONCHIAL LOZENGES, which have commended themselves to many of our most distinguished Divines, and are recommended by our most prominent Doctors. They possess the power of affording relief to the throat after any continued exertion, and we know of many ladies and gentlemen in the theatrical profession who find them truly invaluable. The prescription was originally put up by Messrs. John I. Brown & Son and sold to a few, who, finding it suited to their wants, recommended it to others, until it has thus worked its way along, and has become one of the most valuable remedies for Bronchial affections known. The success of BROWN'S TROCHES has been such as to induce others to fabricate a spurious article, called Bronchial Troches, but the genuine article which we have tried is known by all respectable Druggists as BROWN'S BRONCHIAL TROCHES."

ANOTHER EDITION NOW READY.
An authentic history from her earliest childhood to the present period, when she has taken her position at the head of every female author in America.

There is originality stamped upon every scene and every character she portrays. In the present volume the publishers offer to the public in addition to the biography of this distinguished lady—several of the earliest efforts of her genius which have not before appeared in book form, but which will be perused with the utmost interest, inasmuch as her admirers will be pleased to trace, even in the earliest and crudest of these productions, evident marks of the talent, which, combined with energy, industry and perseverance, which have raised her to her present lofty position as a writer. Anticipating a great demand for the work, extraordinary editions have been printed.
