FOREIGNERS SEEK AMERICAN GOODS

Merchants in Many Lands Anxious to Sell Our Manufactures.

MANY ASK FOR AGENCIES

Requests Cover Wide Field and Forecast Increased Overseas Trade.

The weekly list of trade chances gathered by the United States Bureau of Foreign and Domestic Commerce is given below.

Addresses of persons and firms may be obtained through THE SUN. Questions regarding published items should be on separate sheets, a sheet to each item and the number of the item should in all cases be stated. THE SUN does not furnish credit ratings or assume any responsibility as to the standing of business men or firms abroad. The usual precautions should be taken in all cases.

Those desiring United States goods and what they want are:

2617. A firm in Norway is in the market for three electric street water sprinklers, three electric sweeping machines and two electric drum trucks.

2618. A firm in India wishes to exclusively represent American manufacturers and exporters of hardware and metal, such as sundry tools and plants, nails, pipes and fittings, bars, angles, tees, plates, sheets, hoops, beams, ropes, tubes, wire, chains, bolts and nuts, hinges, screws; piece goods, such as checks, mulls, shirtings, ducks, crepes, lawns, printed and bleached goods and cotton, woollen and silk goods; glassware, such as window glass, lanterns, chimneys, globes and bottles; sundries, such as hosiery, toilet articles, paints, colors and dyes, oils, cement, soda, mats, acids, canvas, leather and rubber goods and automobile accessories.

Lighting Apparatus Sought.

2619. A lighting and engineering concern in Australia wishes to be placed in communication with American manufacturers of various forms of air and gas and petrol lighting; also electric lighting apparatus for country homes.

2620. A firm in Jamaica desires to purchase or secure an agency for the sale of large quantities of grape juice.

2621. A man in France desires to represent American manufacturers and exporters in that country. He mentions no particular line. Cash will be paid for all purchases.

2622. The representative of a firm in South Africa, who is at present in the United States, desires to purchase complete starch making machinery and equipment with a capacity of from five to ten tons a day, and glucose by-products machinery. He is also interested in machinery for extracting oil from oil seeds.

2623. An engineer and contractor in India wishes to purchase and secure an agency for the sale of steam and gas tractors, logging outfits, saw mills and gasoline logging engines.

2624. A firm in Ceylon desires to purchase or secure an agency for the sale of various kinds of hand and steam pumps for use in agricultural fields and plumbago mines, capable of pumping water to a height averaging twenty-five feet, the pipe lines to be two, four and six inches in diameter.

2625. A dairy firm in England desires to purchase milk drying machinery, also machinery for making condensed milk, but particularly the former. The firm has had difficulty from the lack of the scientific treatment of milk before the drying process, so that the butter fat in the milk shall retain its sweetness in powder form and shall still be sweet when returned to liquid some months after.

2626. An agent in Canada who is about to proceed on a business trip through Australia, New Zealand and South Africa, and in which he has had previous commercial experience, desires to be placed in communication with American manufacturers and exporters who would like to place their products in these markets. He is willing to act either as selling or resident agent.

Frenchmen Seek Agency.

2627. A firm in France wishes to represent American manufacturers and exporters of products of interest to the west and east African trade, such as cotton goods, tobacco, alcohol, cement, empty sacks, agricultural machinery, corrugated sheet iron and hoop iron. These products are to be sold to French exporters engaged in colonial trade and established in France.

2628. An American business man in Canada wishes to represent American manufacturers and exporters of ladies' silk and muslin underwear.

2629. A firm in Ceylon desires to purchase and secure an agency for all kinds of nails, steel sheets, painted sheets, galvanized and corrugated sheets, wire in all gauges, unfinished steel, structural steel, steel plates, steel rails, wire rods, tin plate, machinery for agricultural, mining and estate purposes, and hardware of all kinds.

2630. A firm in South Africa wishes to secure an agency for the sale of general merchandise, except machinery or engineering requirements.

2631. An agency is desired by a firm in New Zealand for the sale of line of goods suitable to the wholesale grocery business and the wine and spirit business, such as dried fruits, preserved fruits, preserved fish, paper and bags, tobacco and cigarettes, oils, kerosene, spirits, confectionery, twines and other goods suitable to such wholesale trade.

2632. A Belgian firm in France wishes to represent American manufacturers and exporters of complete sets of tools for all trades, mechanical and electrical tools, machine tools, mechanical supplies, hoisting apparatus, fittings for factories, scales, agricultural machinery and farming tools, sprayers, trellisework and barbed wire, waterproof material, building hardware, iron and copper, contractors' equipment, articles for locksmiths' trade, furniture, copperware, locks and bolts, upholsterers' supplies, household articles, cutlery, kitchen ware, supplies for hotels and restaurants, filters, wooden articles, tinware, brushes, washing machines, laundries, beds, cast iron ovens and a large assortment of kitchen stoves. The firm has large warehouses and wishes to keep a large stock of goods on hand. These goods are especially desired for the Belgian after the war trade.

Australians Seek Agency.

2633. An Australian firm of importers and manufacturers' agents wishes to be placed in communication with American manufacturers desiring efficient representation throughout Australia and New Zealand.

2634. The manager of the mantle department of a wholesale house in Australia, who is at present in the United States desires to purchase women's outside wearing apparel, furs and material for making garments for women.

2635. A firm in Dutch Guiana wishes to secure an agency for the sale of enamel ware, ready made clothing for men, white goods, biscuits and crackers, rice, butter, lard, margarine, glass tumblers, ribbons, wines, neckwear, cottonseed and linseed oil, cod liver oil, Portland cement, leather of all kinds for boots and shoes, tallow and grease, lubricating oil, beer and stout, perfumes and soaps, leaf tobacco, white and red lead, hardware, fancy goods, pianos, zinc oxide, turpentine, tar and pitch and hosiery. These goods are desired for the markets of Surinam and British and French Guiana.

2636. A firm in Ceylon is in the market for paper, as follows: Fourteen pounds to ream (480), 1 ton; 16 pounds to ream (480), 1 ton; 18 pounds to ream (480), 1 ton; this amount to be divided in two shipments; 5 tons of foolscap, and 18 and 20 pounds of ream (480), 1 ton. The firm also wishes to receive catalogues of pencils and stationery supplies. Payment will be made by cash against documents at local bank, but if desired part payment will be made upon shipment of goods from United States port.

2637. An agency is desired by a firm in Australia for the sale of cotton and woollen goods, hosiery and all goods pertaining to the soft goods trade.

2638. A company in New Zealand desires to secure an agency for the sale of plumbers' supplies, electrical household appliances, builders and cabinet hardware, farm tractors, dystuffs, boots and shoes, woodworking machinery and wall board.

2639. A firm in Italy is in the market for bicycle accessories and automobile and motorcycle accessories.

PLAN WELCOME FOR GOMPERS.

Reception for Labor Chief to Be Held in Chicago.

A great national meeting to be held in the Auditorium in Chicago about November 8 will welcome Samuel Gompers, president of the American Federation of Labor, back to America. It will be held under the auspices of the American Alliance for Labor and Democracy and invitations have been sent to President Wilson and the members of his Cabinet, Governors of all the States, Justices of the Supreme Court and many others.

Robert Maisel, director of the American Alliance for Labor and Democracy, says Mr. Gompers will have a message for America such as no man or woman has brought.

With Mr. Gompers at the Chicago reception will be the other members of the mission now in Europe with him.

BONDS IN THE STOCK EXCHANGE.

Week Ended October 11, 1918.

	1918	1917	1916
