Special Notices.

IMPORTANT TO LADIES.—Dr. Harvey's Female Pills have never yet failed in removing difficulties arising from obstruction, or stoppage of nature, or in restoring the system to perfect health when suffering from Spinal Affections, Prolapsus, Ulcer, the Whites, or other weakness of the Uterine Organs. The Pills are perfectly harmless on the constitution, and may be taken by the most delicate female without causing distress—the same time they act like a charm by strengthening, invigorating and restoring the system to a healthy condition, and by bringing on the monthly period with regularity, no matter from what cause the obstruction may arise. They should, however, not be taken during the first three months of pregnancy, though safe at any other time, as miscarriage would be the result.

Each box contains 60 pills. Price 1 00.

Dr. Harvey's Treatise on Disease of Females, Pregnancy, Miscarriage, Barrenness, Sterility, Reproduction, and Abuses of Nature, and emphatically the Ladies Private Medical Adviser, a pamphlet of 64 pages, sent free to any address. Six cents required to pay postage.

The pills and book will be sent by mail when desired, securely sealed, and prepaid, by

DR. SEELYE'S LIQUID CATARRH REMEDY,

Cure Warranted,

IF DIRECTIONS ARE FOLLOWED.

CALL FOR A CIRCULAR DESCRIBING ALL SYMPTOMS.

SYMPTOMS:

The symptoms of Catarrh, as they generally appear, are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin and acrid, afterwards becoming thick and adhesive. As the disease becomes chronic the discharges are increased in quantity and changed in quality; they are now thick and heavy and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head during the night. When this takes place the person may be sure that the disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh symptoms.

A single Bottle will last a Month—to be used three times a Day.

MEDICAL SUCCESS
EXTRAORDINARY.

100 DOLLARS PREMIUM!

SEMINAL WEAKNESS,

or Spermatorrhœa, Gleet, &c., and IMPOTENCY CURED,

AFTER ALL OTHER TREATMENT FAILS

DR. A. GIBSON,

formerly of New York City, will pay one hundred dollars for the proof that he ever fails to cure the above-named diseases. He will pay the same sum for the proof that any other Physician in the United States treats the same diseases with equal success.

After many years of laborious study and experience, Dr. Gibson is happy in being able to announce to the unfortunate, that he has perfected a system of treatment for

THE SPEEDY AND PERMANENT CURE

of the above, and also all contagious diseases of the Reproductive Organs, with all bad effects arising therefrom, including General

DEBILITY OR NERVOUS PROSTRATION.

He has succeeded in curing cases in this city, one of whom had expended hundreds of dollars with so-styled physicians, who promise to treat all private maladies with success, and without receiving the least benefit in return.

Dr. Gibson does not boast that he is a member of some College in London or Paris, as perhaps some others do, for the purpose of deceiving the incautious, and who hold out great expectations never to be realized. But what Dr. G. might boast of is this, that he is able to give entire satisfaction to those who repose confidence in his ability and integrity, and that he has perfected an American system of treatment which challenges any Physician of London or Paris, or any patent medicine, to equal for the radical cure of seminal weakness, and all diseases or derangements, both mental and physical, arising from sexual or secret abuse.

Dr. Gibson also claims for his new treatment the following advantages over all others yet discovered: and first, the patient need are in no respect disagreeable; he uses no relics of the dark ages, such as Mercury, nor any other deleterious drug; secondly, no restriction in diet or business is required; thirdly his treatment is positive and certain in all cases. He stands prepared to go into any public or private hospital in the United States and demonstrate the immense superiority of his new treatment over any other now known to the world, in point of promptness, permanency, painlessness, safety and inexpensiveness to the patient.

Dr. Gibson is permanently located in Cleveland, and has been in the practice for over five years, performing many cures of diseases which had for years resisted all other modes of treatment. Reference can be given to individuals of the first respectability in Cleveland, Boston, New York and other cities, in regard to skill and integrity in all professional transactions. Dyspepsia, Rheumatism, Scrofula, all Diseases of the Urinary Organs, and all Chronic Diseases treated with superior success.
