The States & Union.

LOCAL AND MISCELLANEOUS.

ASHLAND, NOV. 4, 1868.

Read our business cards, and encourage the enterprise of our advertising citizens.

NOTICE.—Correspondents and others must positively leave their favors before 9 o'clock A, M, on each Tuesday morning, or they cannot be inserted, as our forms must be locked up by 12, M.

WOOD, WOOD.—We will take a few cords of wood and a few bushels of of winter apples on subscription if brought in within the next ten days. If our subscribers have no wood to spare, a little money on subscription will not be refused; as our terms are two dollars in advance, for the States and Union. It takes money to buy paper, pay hands and to live, and we should have it.

AGRICULTURAL NOTICE.—There will be a Meeting of the Ashland Co, Board of Agriculture on Saturday November 14th, 1868, for the Election of Treasurer and Secretary, and for the transaction of other important business. Each member is earnestly requested to be present. By order of the President.

JAMES ALBERSON.

Y. M. C. A.—Rev. S. A, Collins, delivered an eloquent and forcible lecture before this association on Monday evening last. Subject "Hugh Miller the Geologist" The audience was not as large as it should have been. Will the good people of Ashland extend to this association that patronage it deserves?

ENTERTAINMENT.—The Anticello Literary Society of Savannah, will give a Literary entertainment at that place, on Tuesday evening, November 17, 1868.

MEDICAL LECTURES.—Mrs. Susan Everett M. D. is delivering a very interesting course of Lectures to the Ladies of Ashland, on the Physiology and Anatomy of the human body; and the best method of preserving the health and physical developement of the feminine portion of our race' The Ladies should hear these lectures, and learn some very essential truths in reference to health.

VERY STRANGE.—Now that the elections are over and results made known it is found that Foltz & Barron have been elected to sell Drugs, Medicines, Oils, Perfumery and notions, cheaper than any house west of the mountains. Call and see them at their new rooms one door east of the Miller House and be convinced.

CHILDREN.—There is nothing so difficult as getting fine, clear, distinct, pictures of Children and babies. We think we have never seen any pictures so truly beautiful as those Johnson is daily turning out. He seems to take special pains with the little ones and is meeting with the greatest success. His pictures of groups cannot be excelled. One door east of Miller House Ashland.

WANT OF ENERGY.—Is one great cause of misfortune in business, as well as a neglect of household duties. The use of Speer's "Standard Wine Bitters" will effectually give tone and energy to the physical powers of the system, and remove lassitude. The Peruvian Bark contained in them, will also cure Ague. For sale by Druggists.

ACCIDENT.—There was an explosion in Doct. Ayer's Laboratory, yesterday, which caused some excitement in the vicinity. Ayer's Pills are manufactured under an enormous pressure in cylinders, like cannon, which sometimes prove too weak for the compressed forces, and burst with terrific violence. Fortunately, the pieces do not fly far, so that no one has ever been hurt by them. The action is more like ice than powder; but it makes Pills which all the world acknowledge *are* Pills. DENTAL.—We understand that a new Dental office will be opened in Ashland in about three weeks. The name of the Dentist will appear soon.

AN ACADEMY.—Every day makes more apparent the egregious blunder of the people of Ashland in neglecting at an early day to secure a good Academical Institution in their village. Two such Institutions now exist in our vicinity. Last Thursday evening Professor A. F. Ross, late President of Oscaloosa College Iowa was inaugurated as President of Vermillion Institute. He has spent thirty years of his life as an education and is pronounced, by those most familiar with him and competent to judge, one of the very best in the West Prof. Ross teaches Language. The chair of Mathematics is filled by Prof. John Simpson, who has for years occupied that position, and who has few if any superiors. Rev. T. K. Davis is assistant Prof. of Languages a ripe scholar and fine instructor. Rev. Mr. Ashenhurst is Professor of Moral and Natural Philosophy, and an able teacher. Mr. M. Grosscup conducts an efficient Commercial College and gives instruction in Vocal Music. And Miss Ross an experienced teacher, gives lessons in Instrumental Music. A new boarding house is being erected and every thing put into a tasteful condition. The community is a retired, healthful one. It is believed that no Institution of its class in the State is better prepared to do its proper work than Vermillion.

BAD PRACTICE.—You might as well expect to relieve and cure an inflamed eye by dusting irritating powders into it as to expect to subdue and cure Catarrh (which is an inflammation of the mucous membrane of the air passages in the head) by the use of irritating snuffs or strong, caustic solutions. Dr Sage's Catarrh Remedy cures Catarrh by its mild, soothing action which subdues the inflammation and restores the natural secretion of the mucous follicles. It is a pleasant remedy, its use being attended and followed by a cooling and agreeable sensation. The proprietors. Dr Sage & Co., of Buffalo, N. Y. offer $500 for a case of Catarrh that they can not cure. Sent by mail on receipt of sixty cents. For sale by most druggists everywhere.

COE'S DYSPEPSIA CURE.

This world renowned remedy for the unfailing cure of

DYSPEPSIA,

Indigestion; Sick Headache, Sourness or Acidity of Stomach, Rising of Food, Flatulency, Lassitude, Weariness, Biliousness, and all disorders of the Stomach and Bowels,

Is urged upon the the attention and trial of sufferers from this most horrible of all diseases. Dyspepsia shows its ravages in a thousand different forms, such as Sick Headache, Heartburn, Depression, general sense of uneasiness and feeling that you are nervous. Food disturbs you, rises and sours on your stomach, breath is bad, skin at times is flushed and hot; don't feel as if you could move or stir about, and worst of all, Indigestion or Constipation, are nothing more or less than Dyspepsia. Thousands upon thousands suffer and die this way, and neither themselves nor their physicians know what ails them, except that they are surely dying.

Reader, we repeat it, this is all Dyspepsia. If you would have proof of our statement, if you would save yourselves and children from an early grave, if you would have health and energy and strength, again we beg you to try one bottle.

COE' DYSPEPSIA CURE.

You will see how soon it will dispel your bad feelings and gloomy forebodings. How soon it will chase away any species of Dyspepsia. How soon it will give you new life and vigor, and how soon it will make a well man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint and Bilious Derangements,

It is a Sovereign Remedy, Wile Sr Fever and Ague, and all those diseases which are generated in a miasmatic climate, it is a certain preventive and cure.

That its wonderful medicinal virtues may not stand alone upon our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of thirty years, in Milwaukee, one of the most reliable and careful men in the State, says, under date,

Milwaukee, Wis., Jan. 24, 1868
Messrs, C, G. Clark & Co., New Haven, Ct.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved perfectly satisfactory as a remedy. I have no hesitation in saying that we have received great benefit from its use. Very respectfully,

Lester Sexton.

"A GREAT BLESSING."

[From Rev. L. F. Ward, Avon Lorain Co., O.]

Messrs. Strong & Armstrong,
Druggists, Cleveland, O.

Gentlemen,—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly troubled with Dyspepsia, accompanied with violent paroxysms of constipation, which so prostrated her that she was all the while, for months, unable to do any thing. She took, at your instance, Coe's Dyspepsia Cure, and has derived great benefit from it, and is now comparatively well. She regards this medicine as a great blessing. Truly yours,

Jan 13th, 1868. L. F. Ward.

"EXTREME CASE" CURED.

[From Rev. Isaac Aiken, Alleghany, Pa.]
Joseph Fleming, Druggist,
No. 84 Market Street, Pittsburg.

Sir,—I take great pleasure in stating that, after having suffered from dyspepsia for about fifteen years, at some periods much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know that of late years my case has been an extreme one. I had great suffering from eating any kind of food, and on an average would vomit about one-third of my meals, in a sour, indigestible mass. When the severe attacks would come, I would lose all strength and be utterly helpless. Some of the attacks would be so severe that for days together I would not retain any thing on my Stomach, save a little dry toast and tea. For years I knew not what it was to pass five consecutive hours without intense pain. From the time I took the first dose of this medicine I ceased vomiting, gradually all soreness passed away, and flesh and strength returned, and ever since, I have been able to eat any kind of food set upon the table. Six months have now passed without any symptoms of the return of the disease. My case was considered by all, even physicians, so marvelous, that for a time it was feared it might be fictitious; but I am now so well convinced, that I have been not merely relieved, but permanently cured, that I can conscientiously recommend Coe's Dyspepsia Cure to all victims of dyspepsia. Isaac Aiken,
Late Pastor of the Beaver St. M. E. Church, Alleghany.

HOME TESTIMONY.

New Haven, Ct., June 1, 1867.

Messrs. C. G. Clark & Co.

Gents,—Being anxious, from the great benefit derived, to assist in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhoea, which lasted eight weeks, during which time I employed three physicians, but without relief, until I tried Coe's Dyspepsia Cure The first dose helped me; I took it three times a day for a week, and was entirely cured; and I believe to day that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would advise every family to keep it on hand ready for immediate use in case of Summer or Bowel Complaints.

C. Dunn.

The above Mr. Dunn is in our employ and we can vouch for the above statement being true.

E. Arnold & Co.

COE'S DYSPEPSIA CURE,

Will also be found invaluable in all cases of Diarrhoea, Dysentery, Colic, Summer Complaints, Griping, and in fact every disordered condition of the stomach.
