Jew David's, or Hebrew Plaster.

THIS is becoming one of the most popular medicines now before the public. For removing all seated pains, such as Rhumatism, pain in the back, side, or breast, it has no equal in the world. It is also efficacious in removing wens, tumors, corns, &c. We do not design to puff this medicine with old fictitious certificates, but will simply mention a few *recent cases*, – here it has effected Cures.

Mr. Sloan, of Zanesville, after having suffered with Rheumatism for *nine years*, was cured by using the Hebrew Plaster.

Mr. Anderson of Putnam, was troubled for a long time with a *lame* back, occasioned by over lifting, and was cured by using this plaster.

A man (name not recolected) of Gratiot, in Licking county, was entirely cured by using this plaster.

The following certificate from Mr. Worstell, editor of the Massilon Gazette, was furnished us a few days since:

Messrs. Comstock & Co.—During last winter and spring, I was so troubled with a pain in my breast, as to render me unfit for the duties of the office; and hearing your New David's or Hebrew Plaster, highly recommended, for similar cases. I was induced to give it a trial. I had worn a plaster on my breast but a short time when all pain left me, and I was enabled again to engage in the duties of the office. My sister residing in Steubenville has also received much benefit from its use. J. P. WORSTELL.

Massilon, Nov. 12, '43,

Messrs. Comstock & Co:—Last Spring I was afflicted with *weakness in my back*, accompanied with a *severe pain in my side*, for which I used your Hebrew Plaster, and I take pleasure in stating that I received immediate relief from it, and I cheerfully recommend its use to all similarly afflicted. D. R. ATAWATER.
