Dr. Dupuoco's French Periodical Golden Pills,

These Pills are nothing new, but have been used by the Doctors for many years both in France and America, with unparalleled success. In every case, and in urgent cases, many thousand boxes have been used, them, to make this Pills public for the alleviation of those suffering from any irregularity of the menstrual nature, as well as to prevent premature or hour, also whose health will not permit an increase of family. Pregnant females, or those suspecting themselves so, are cautioned against them, these Pills while pregnant, and the proprietor assumes no responsibility after the above admonition, as those timid females would prevent any mischief to health, if he was otherwise. Pills are recommended. Full and explicit directions accompany each box. Price $1.00.
