THE CASE OF THE WASHINGTON BANK TELLER.—In the Police Court this morning Caleb B. Atkins, Teller of the Washington Bank, was brought up on a complaint charging him with embezzling from the Bank the sum of $14,265 10, between the 13th of December, 1855, and the 23d of February, 1856. On this charge, Atkins, who was without counsel, at first expressed a desire to waive an examination, in order to allow the case to at once go up to the Municipal Court for trial, but afterward, to give him time to consult his friends in the matter, the case was postponed to to-morrow at 11 a. m., and in default of bail in the sum of $25,000, he was committed to jail.

In regard to the sum of $7,265 10, missing from the funds of the Washington Bank, Atkins has confessed that he took the money, commencing about the middle of January and ending about the 10th of February, in sums ranging from $200 to $1,000 at a time. A discovery of the deficiency was prevented for a time by bogus checks, &c. In regard to the package of $7,000 which he is also charged with embezzling, he persists in denying all knowledge of the matter. The Government will produce testimony to the effect that the package was delivered by the officers of the Suffolk Bank to the Messenger of the Washington, and by the latter to Mr. Atkins; but the latter declared at the time that he never received it.

## Markets.. CAREFULLY REPORTED FOR THE TRIBUNE.

WEDNESDAY, Feb. 27, 1856.

ASHES—The market is firm, but the demand is limited; small sales of Pots at $6 25, and Pearls at $7 75@$7 87; the stock consists of 471 bbls. Pots and 42 bbls. Pearls; Saleratus is steady at 7c., cash.

BEESWAX—American Yellow is moderately sought after at 27c., with sales of about 3,000 lb.

BRICKS AND TILES—Domestic continue quiet at $4 50@$4 75 for Hard North River, and $19@$20 for Philadelphia Face. Foreign are unchanged; small sales at $20 for Welsh; $25@$30 for Rach, and $40@$45 for Strowbridge. Malt Tiles are inactive at $26@$30.

BOOTS AND SHOES—The Spring business is retarded about three or four weeks, owing to the detention of supplies from the East, also the difficulty in shipping goods to the South. The stocks in market are quite moderate and present a poor selection of the styles suitable for the coming season. The resumption of Sound navigation will release large supplies now waiting shipment. For California there are no buyers, but for Australia there is some inquiry for mining boots, but none in market. We glean below our quotations of the various styles:

| | | | |
|---|---|---|---|
| Men's Thick and Kip Boots | $1 62½@2 25 | Men's Thick and Kip Brogans | $1 00@1 25 |

| Children's Fine Shoes | 45 @ 60 | | |

CEMENT—Common is dull; last sales at $1 12½@$1 25. Foreign is very quiet at former quotations.

CANDLES—Adamantine are in fair request but at a slight concession in price; sales of 500 box. Phenix Co. brands at 28c. Plain Sperm, Judd's, Litchfield's brands, are in request at 35@40c.; and Patent at 45@50c. Tallow are lower, with sales at 14@15c.

COPPER—New Sheathing is firm with a fair business doing at 35c. Taunton Yellow Metal is not plenty and is firm at 26c., 6 mos.

COTTON—The market is flat; a decline of ⅛@¼c. would be necessary, as long as the present feeling exists, to effect sales. Holders, however, exhibit an air of independence commensurate with the indifference of buyers. The sales do not exceed 500 bales. We are obliged to omit quotations as they are entirely nominal.

COFFEE—Quietness in all kinds prevails to-day. Grocers will not come forward, as they find it next to impossible, from the condition of the streets, to convey goods to their destination. Operators generally are waiting the receipt of the Brazil mail as safe as the middle of January, which will doubtless be forwarded in the steamer America now due at Halifax. The sales to-day are unimportant; 150 mats Java sold at our annexed quotations. The stock of Rio is 36,490 bags:

| | | | |
|---|---|---|---|
| Java White, ₱ lb | 14 @14½ | Laguayra, ₱ lb | 11½@13 |
| Mocha | — @15 | Maracaibo | 11 @13 |
| Brazil | 10½@12½ | St. Domingo, cash | 10½@10½ |

COAL—A few city dealers have put up their prices for Anthracite, but we think this is not general, and we still quote $5 ⅌ ₱ ton for red and white Ash, and $6@$6 50 for Lehigh. In Brooklyn it is selling at $4 75@$6 for Peach Orchard. Foreign is lower; sales of Orrel at $5, and Cannel at $9. The stock is ample, especially at Liverpool.

EARTHENWARE—The market is still scantily supplied—only two or three arrivals having taken place during the week, which have contributed but little toward filling the vacancies in assortments, and some descriptions of common ware command an advance of 5 ⅌ cent. There are a number of buyers from St. Louis and other quarters of the Far West, the most of whom anticipate a good business during the Spring. They are disposed, however, to defer their purchases until the large number of vessels now overdue arrive. Houses doing a Southern business are actively engaged shipping goods, and orders for Richmond being delayed three or four days, are now dispatched, the James River being navigable. Philadelphians are not doing much, but the Delaware will be open in a day or two. For California the demand has been quite brisk for White Granite and common ware—the shipments during the week being, in round numbers, about 200 packages. We annex the shipments from Liverpool for the month of January for the past five years:

| | New-York. | Boston. | Philadel'a. | Baltimore. | New-Orleans. | Total. |
|---|---|---|---|---|---|---|
| 1852 | 3,749 | 1,722 | 1,229 | 1,492 | 230 | 8,422 |

| 1856 | 3,487 | 1,338 | 1,871 | 1,685 | 613 | 8,992 |

FISH—The supply being limited by the protracted absence of arrivals from the East, business to any great extent has been prevented, and prices have improved; sales of 300 qtls. Dry Cod, and 500 bbls. Mackerel at our quotations. The late arrivals of Halifax have not been sold. We quote:

FLOUR AND MEAL—With a better demand, and light arrivals of Western and State Flour, the market has improved; good superfine is less freely offered, and with a diminished stock prices favor the holder at the close; the better grades are in fair request for the East and local trade; nothing of moment has transpired for export; the sales of Western Canal are 6,500 bbls. at $6 75@$7 for common to good State and superfine Michigan; $7 31@$7 81 for superfine Indiana and Upper Lake; $7 56@$8 for common to good superfine and low grade of Ohio extra; $8 62½@$10 75 for extra Genesee, and $9 75@$11 50 for St. Louis brands; Southern Flour is firm, and in fair request for the West Indies and South American markets; sales of 900 bbls. at $8 25@$8 81½ for mixed to good standard brands Alexandria, Baltimore, "City Mills" and "Howard street," and $8 37½@$10 for favorite fancy and extra brands; Canadian Flour is in retail demand, and without change in prices; sales of 400 bbls. at $6 75@$9 50 for inferior to best brands; Rye Flour is steady, and in moderate demand at $4 25@$6 25 for fine and superfine; Corn Meal is firmer; sales of 200 bbls.
