TRUCE SALE, NOVEMBER 4, 1861.

MESSRS. T. B. HUNTER, JOHN FRANKLIN and W. S. HUNTER have retired from our firm.

Our resident partner in Memphis is SAMUEL GAYLE. Office 10 Front Row. nov7-dew3m

☞ Speaking of Southern institutions the Tennessee Baptist, of Nashville, remarks:

Messrs. Clark, Gregory & Co.,

Of our city, are manufacturing valuable family medicines that will, as fast as known, take the place of all the pills, pills, bitters and S. S. Relief medicines now sold by millions in the South. Anthrosol Oil is truly an invaluable medicine for broken, cuts, burns, chilblains, sore throat, toothache, sick headache, etc. Their painless liver pills and aperient pills no family should be without.

DIPHTHERIA.—The terrible and dangerous disease may be easily arrested if taken in time, and the patient kept warm by repeated bathing with Anthrosol Oil—gargle the throat often with the oil slightly diluted with water and bind on a flannel cloth saturated with the oil on going to bed. We are confident we overcome several cases in our family with the oil alone and Dr. J. M. Clark's painless pills.—Tennessee Baptist, Nashville, Tennessee.

Sold at the manufactory price by S. Mansfield & Co., Memphis, wholesale agents for Southwest, and by all Memphis druggists. nov22-dawim

M'LEAN'S CORDIAL.

AGAIN! we hear we insert this week the advertisement of McLean's Cordial, etc.

It is very well known we are not particularly favorable to patent medicines and, as a general thing, eschew the whole of them with but little ceremony, and with these sentiments we decline inserting this advertisement, until we know what were the ingredients of the medicine, and how compounded. This we have learned and believing as we do, that the ingredients are good, and the compound judiciously made, we recommend it as a medicine worthy of public confidence.

The above is from the St. Louis Christian Advocate edited by the renowned Rev. Dr. McAnally, which speaks volumes in favor of McLean's Cordial. We say to all, try it. See the advertisement in another column. nov26-dew

CURES Headache, Earache, Toothache, in three minutes; Rheumatism, Coughs, Neuralgia, Colds, Erysipelas, Bronchitis, Dyspepsia, Colic, Cramps, Inflamed Eyes, Chronic Sore Eyes, Sore Throat, Cuts, Burns, Bruises, Sprains, Chapped Hands, Piles, Ulcers, Diarrhœa, Bunions, Corns, Frosted Feet, Deafness, Old Sores, Sore Breast, Sore Nipples, Scald Head, Ringworm, Tetter, Snake Bites, Spider Bites, Dog Bites, Cat Bites. The world is challenged for its equal for Scalds and Burns. It cures Spavines on horses, Sore Eyes on horses, Sprains, Swinney, Pull Evil, Fistula, Saddle and harness galls, fresh wounds or swellings, and is the best known remedy to apply to tender-footed horses from founder—take up the feet and bathe well about the frog of the foot. Cures all cutaneous diseases on man or beast.

No one medicine can cure in all cases, but we can show more real proof of the virtue of Ambrosial Oil in its healing properties, from responsible men, who are above being bought, than can be produced for any other medicine.

We do not assert a cure for every malady to which the human family are subject, but what we proclaim we can substantiate by living witnesses. The Ambrosial Oil is a Nashville preparation, and sold throughout the South and Southwest by all good druggists and general dealers. The South may be justly proud that Dr. Clark, a native Tennessean, after much labor and research, has produced a really worthy medicine, which is bound to drive out much of the worthless imported trash with which the country is flooded.

Please call at our office, where we will take pleasure in showing letters and testimonials too numerous to set forth in the form of an advertisement, some of which come from physicians in high standing, who are using it in their practice, as they state, with marvelous effects. We challenge the world to produce a remedy so speedy and effectual in its healing properties.

☞ Read the evidence of the virtue of Clark & Fuller's Ambrosial Oil, evidence so authentic, and from persons whose word and standing are irreproachable. Read and be convinced.

CLARK, GREGORY & CO., Proprietors, Nashville, Tenn.

Sold at the manufacturers' prices by S. Mansfield & Co., Memphis, wholesale agents for Southwest, and by all Memphis druggists. dec25-dawly1y

Dr. MERWIN'S FEVER & AGUE PILLS.

For the Permanent Cure of Fever and Ague, Chills, Remittent Fever, Bilious Fever, Dumb Ague,

AND ALL PERIODICAL DISEASES,

THAT have their origin in the miasmatic effluvia arising from decayed vegetation.

These PILLS never fail to cure all of the above named Fevers, and what is better, they also ACT AS A PREVENTIVE, if taken occasionally or daily, while exposed to the infection. Hence the old adage, "an ounce of preventive is worth a pound of cure."

Dr. Merwin's "Fever and Ague Pills" differ from all other Chill Medicines in the following particulars:

1. They never fail to perform a speedy and permanent cure.
2. They are recommended only for one class of diseases.
3. They are agreeable and convenient to take.
4. They contain no poisonous minerals, being purely vegetable.
5. They do not impair the organic functions of the stomach or any part of the system.
6. They require no other medicine to prepare the system for their reception, or afterwards to allay irritation.
7. They are not a northern "catch penny humbug," but are prepared by gentlemen that were born, reared and educated under the benign influences of southern institutions.

Remember when you purchase these Pills, that you are not contributing cents for "Yankee Emigrant Aid Societies," or Sharp's rifles and bowie knives, for "bleeding Kansas," as you many times have done in buying northern articles.

We wish all to distinctly understand that this is a Southern Medicine, prepared from the simple plants that grow in our woodlands, on our river banks, bayous and lakes.

☞ As a special merit, we wish to call attention to the fact that in using this Medicine you only take a few Pills. Is not this preferable to swallowing a pint of nauseous mixture, which, at best, can only produce the same result?

Price, One Dollar per Bottle.

One dollar and twenty cents, inclosed to the Proprietors, or to almost any dealer in Medicines in the Southern States, will insure a bottle of Pills by return mail.

POTTER & MERWIN, Proprietors, 65 Jefferson st., near post office.

And general dealers in all popular patent medicines.

☞ Sold at all the drug stores in Memphis. se15-dawim
