M'LEAN'S CORDIAL.

As may be seen, we insert this week the advertisement of McLean's Cordial, etc.

It is very well known we are not particularly favorable to patent medicines, and, as a general thing, eschew the whole of them with but little ceremony, and with these sentiments we declined inserting this advertisement until we knew what were the ingredients of the medicine, and how compounded. This we have learned and believing, as we do, that the ingredients are good, and the compound judiciously made, we recommend it as a mixture worthy of public confidence.

The above is from the St. Louis Christian Advocate edited by the renowned Rev. Dr. McAnally, which speaks volumes in favor of McLean's Cordial. We say to all, try it. See the advertisement in another column.
