MILITIA GUNS

UNDER the late law, it is required that Guns in the hands of private individuals shall be delivered to the Colonels of the different Regiments, to be valued and by them turn'd over to such officers as the Governor of the State shall appoint. Under this law Gov. Harris has directed the guns collected in this division to be turned over to me, as Ordnance Officer of the Confederate States.
I receive many letters from the Colonels and agents engaged in purchasing, requesting me to inform them what kind and quality of guns are suitable. To answer these inquiries would take up much time, and I give herein the kinds of guns fit for use.
For relocking and refitting it is necessary that I have a barrel not less than three fourths of an inch in diameter, at the smallest part of the barrel; as it makes no difference whether any part of the gun is good except the barrel; as they are all restocked, and new bands, breech plates, guards, triggers and trigger plates are used. I would prefer to have good locks, but this is not indispensable. Any kind of a double-barrel shot gun, unless the barrel is too much worn, can be made an efficient weapon. Single barrel guns, unless they are of the class known as "duck guns," are useless for army purposes.
It would be well for the Colonels who receive the arms under the late law, to receive Rifles of every kind except one size; A rifle smaller than three-fourths of an inch d ameter of barre' and besides is bad order. If this gun is in good order it should be received even if smaller than three-fourths of an inch in diameter of barrel. It is earnestly requested of the colonels of regiments and agents purchasing, that they gather up all of the bullet moulds and every part of the lock of a gun that can be used, such as cocks, lock-plates, tumblers, screws, springs, nippers, bands, breech-plates, guards, triggers, trigger-plates, wipers and screw drivers.
I have a small quantity on hand and the various parts can be fitted together and make perfect locks. Rifle barrels are smaller about eighteen inches below the muzzle than they are across the mouth of the gun, and should be measured there.
Direct all guns to F. W. ROYSTER,
Memphis, Tenn.,
Who is authorized to receipt for them.

The world is challenged for its equal for Scalds and Burns. It cures Scratches on horses, Sore Eyes on horses, Sprains, Swinney, Poll Evil, Fistula, saddle and harness galls, fresh wounds or swellings, and is the best known remedy to apply to tender-footed horses from founder—take up the feet and bathe well about the frog of the foot. Cures all cutaneous diseases on man or beast.
No one medicine can cure in all cases, but we can show more real proof of the virtue of Ambrosial Oil in its healing properties, from responsible men, who are above being bought, than can be produced for any other medicine.
We do not assert a cure for every malady to which the human family are subject, but what we proclaim we can substantiate by living witnesses. The Ambrosial Oil is a Nashville preparation, and sold throughout the South and Southwest by all good druggists and general dealers. The South may be justly proud that Dr. Clark, a native Tennessean, after much labor and research, has produced a really worthy medicine, which is bound to drive out much of the worthless imported trash with which the country is flooded.
Please call at our office, where we will take pleasure in showing letters and testimonials too numerous to set forth in the form of an advertisement, some of which come from physicians in high standing, who are using it in their practice, as they state, with marvelous effects. We challenge the world to produce a remedy so speedy and effectual in its healing properties.
☞ Read the evidence of the virtue of Clark & Fuller's Ambrosial Oil, evidence so authentic, and from persons whose word and standing are irreproachable. Read and be convinced.

THE GREAT SOUTHERN & WESTERN REMEDY.

Dr. MERWIN'S FEVER & AGUE PILLS.
For the Permanent Cure of Fever and Ague, Chills, Remittent Fever, Bilious Fever, Dumb Ague,
AND ALL PERIODICAL DISEASES,
THAT have their origin in the miasmatic effluvia arising from decayed vegetation.
These PILLS never fail to cure all of the above named Fevers, and what is better, they also ACT AS A PREVENTIVE, if taken occasionally or daily, while exposed to the infection. Hence the old adage, "an ounce of preventive is worth a pound of cure."
Dr. Merwin's "Fever and Ague Pills" differ from all other Chill Medicines in the following particulars:
1. They never fail to perform a speedy and permanent cure.
2. They are recommended only for one class of diseases.
3. They are agreeable and convenient to take.
4. They contain no poisonous minerals, being purely vegetable.
5. They do not impair the organic functions of the stomach or any part of the system.
6. They require no other medicine to prepare the system for their reception, or afterwards to allay irritation.
7. They are not a northern "catch-penny humbug," but are prepared by gentlemen that were born, reared and educated under the benign influence of southern institutions.
Remember when you purchase these Pills, that you are not contributing means for "Yankee Emigrant Aid Societies," or Sharp's rifles and bowie knives, for "bleeding Kansas," as you many times have done in buying northern articles.
We wish all to distinctly understand that this is a Southern Medicine, prepared from the simple plants that grow in our woodlands, on our river banks, bayous and lakes.
☞ As a special merit, we wish to call attention to the fact that in using this Medicine you only take a few Pills. Is not this preferable to swallowing a pint of nauseous mixture, which, at best, can only produce the same result!
Price, One Dollar per Bottle.
One dollar and twenty cents, inclosed to the Proprietors, or to almost any dealer in Medicines in the Southern States, will insure a bottle of Pills by return mail
POTTER & MERWIN, Proprietors,
65 Jefferson st., near post office.
And general dealers in all popular patent medicines.

STOP THE NEGROES AND THE THIEF!
RANAWAY from the subscriber, on the 1st instant, TWO NEGRO MEN—SANDY, about years old, about five feet eleven inches high, dark copper color, walks very erect but walks and talks slow in his motions and speech. HENRY, brother to Sandy, is age about twenty-three years, five feet ten inches high, darker complexion than Sandy, well formed and likely. They took with them two light colored overcoats, a pair of spotted pants and other clothing, and were off two old soft hats, fastened up at the sides. It is believed that some white man has enticed them off with the promise of taking them to Lincoln's army, at Paducah. They said to other negroes they were going to Paducah. Twenty five dollars each will be paid for their apprehension, if taken in this State, or fifty dollars each if taken out of the State and delivered to me or confined so I can get them. My address is

PROCLAMATION!
By the Postmaster-General of the Confederate States of America.
WHEREAS, By the provisions of the 3d section of an act of Congress, approved August 30th, 1861, entitled "An Act to Collect, for distribution, the moneys remaining in the several Post Offices of the Confederate States at the time the postal service was taken in charge by said Government," it is made the duty of the Postmaster-General to make proclamation that all persons who are citizens of the Confederate States of America, and who may have rendered postal service in any of the States of this Confederacy, under contracts or appointments made by the United States Government before the Confederate States Government took charge of such service, shall present their claims to this Department, ve ified and established according to such rules as he shall prescribe, by a time therein to be set forth, not less than six months, and requiring the claimant to state under oath, how much has been paid and the date of such payments, on account of the contract or appointment under which said claim occurred, and what fund or provision has been set apart or made for he further payment of the whole or any portion of the balance of such claim by the Government of the United States, or of any of the States; and they shall also state, on oath, whether th y performed fully the service according to their contracts or appointments during the time for which they claim pay, and if not, what partial service they did perform, and what deductions have been made from their pay so far as they know, on account of any failure, or partial failure, to perform such service.
Now, therefore, I, JOHN H. REAGAN, Postmaster-General of the Confederate States of America, do issue this, my proclamation, requiring all persons having claims for postal service, under the foregoing provisions of the 3d section of the above named act, to present said claims to the Auditor of the Treasury for the Post Office Department, for examination, on or before the 13th day of March, 1862, in order that I may make a report to Congress of the amount thereof, as required by law.
Blank forms for presenting and verifying the claims will be furnished on application to the Auditor of the Treasury for the Post-Office Department.
And I hereby require all persons who have heretofore collected moneys as postmasters in the States now composing the Confederate States, and which they had paid over at the time the Confederate States took charge of the postal service, to make out, under oath, and send to the Auditor of the Treasury for the Post Office Department, on or before the 13th day of October next, a general or ledger account with the United States, for the service of the Post Office Department, up to the time the control of the postal service was assumed by the Confederate States, in accordance with the general regulations of the Post Office Department, issued May 15th, 1859, page 108, exhibiting the balances in the possession of such postmasters.
Given under my hand and seal of the Post Office Department of the Confederate States of America, at Richmond, Virginia, the 12th day of September, in the year 1861.
