PERSONAL AND GENERAL.

Over 130 miles of track have been laid on the New Orleans and Mississippi Valley railroad between New Orleans and Memphis, and it is expected that fully 40 miles will be laid during August. The company has about 175 miles more of grading completed, ready for track, and the remaining 150 miles is under good headway, and will be ready within the present year. The track is being laid from each terminus, New Orleans and Memphis, and both ways from Vicksburg.

Looking After Mr. Villard.

NEW YORK, August 16.—A bill of complaint was filed to-day in the United States Circuit Court by Spencer Ervin, Jay Cooke, jr., Edwin C. Weaver, of Philadelphia; the Trenton Banking Company, of Trenton, N. J.; James A. Williams, of Connecticut, and other residents of Pennsylvania, New Jersey and Connecticut, stockholders of the Oregon Steam Navigation Company, against the Oregon Railway and Navigation Company and Henry Villard. The bill recites a portion of the history of the two companies and gives what purports to be a description of the stock operations, by which Villard and friends acquired control of the Oregon Steamship Company, and formed the Oregon Railway and Navigation Company. The complaint then prays for an accounting, and also for an injunction restraining defendants from selling, transferring or disposing of any of the rights or properties of the Oregon Steamship Company.

VEGETABLE COMPOUND.

A NOTED BUT UNTITLED WOMAN.

[From the Boston Globe.]

Messrs. Editors:—

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is seriously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purpose. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the ablest physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, Irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only $1, per bottle or six for $5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of *either* sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are *the best in the world* for the cure of Constipation Biliousness and Torpidity of the liver. Her Blood Purifier works wonders in the worst blood and humor cases, and has fully established its merits as the best blood purifier known."

All must respect her as an Angel of Mercy who raise her sacred voice to do good to the afflicted.

By Telegraph.

NEW YORK, August 16.—Money easier, 2@3 per cent., closed at 2 per cent. Prime mercantile paper, 5@6½ per cent. Sterling exchange—bankers' bills heavy, 482½; demand, 486.

Bonds—Governments firm. Railroads strong; Atlantic and Pacific incomes advanced to 76, Burlington and Quincy debenture 5s to 91, Erie second consols to 94, Fort Worth and Denver City firsts to 70, Kansas and Texas seconds to 54, Kansas and Texas general mortgages to 80, New York, West Shore and Buffalo firsts to 74½, Richmond and Danville debentures to 65, Iron Mountain 5s to 72, Texas and Pacific incomes to 53, Texas and Pacific, Rio Grande and Denver firsts to 76½, and Union Pacific sinking fund to 117½. State securities dull.

Stocks—Brokers are in excellent spirits over the strength shown by the leading stocks, which have been violently assailed during the last few days. The early advance of Erie to 31½ of Western Union to 74½, of Northern Pacific to 44½, and of Oregon and Transcontinental to 66½, are regarded as an indication either that the public are beginning to buy freely, or that heavy holders of stocks are determined to sustain the market. A report was circulated that Jay Gould, Henry N. Smith and Vanderbilt sons had formed an alliance for the purpose of sending up stocks. The stock market on the whole, to day presented a more natural and healthful appearance. The advance at the opening was caused largely by the covering of shorts. After this abated and the usual reaction from such immediate demands had been experienced, the market became comparatively dull, and from this was revived by buying orders, not only local, but from various parts of the country and from Europe, the latter on orders buying from Amsterdam and Frankfort. When Western Union was selling at the lowest point, brokers credited with Gould orders bought shares liberally, and the price recovered rapidly to 74. The advance in this stock was the signal for a general buying movement in other active shares, and the whole list sold up to the highest point of the day. In final transactions the demand for stocks for borrowing purposes continued active, and today as high as 1-16 and 1½ per cent. was paid for New Jersey Central and 1 and 1½ for New York Central. Commission houses report a good demand for dividend-paying stocks for investment account. The net result of the day's business was an advance of ½ to 2½ per cent., the latter for Northern Pacific, with other advances as follows, namely: Canada Southern, 1½; Central Pacific, 1½; Illinois Central, 1½; Kansas and Texas, 1½; Louisville and Nashville, 1½; Michigan Central, 1½; Jersey Central, 1½; Northwestern, 1½; Northern Pacific common, 2½; preferred, 1½; Ontario and Western, 1½; Pacific Mail, 1½; Omaha, 1½; preferred, 1½; Texas and Pacific, 1½; Wabash, 1½.
