The Rev. Dodge is now busy completing the program, which will be a very instructive one. Address will be made by Dr. John B. White, pastor of the First Baptist church, R. D. Webb, state superintendent of the South Carolina Sunday School association, and Leon S. Palmer, secretary of the Alabama Sunday School association. WILL ELECT OFFICERS AT MEETING SATURDAY

ANDERSON COUNTY POULTRY ASSOCIATION TO HOLD MEETING

INTEREST GROWS

In Annual Show and Thought Good One Will Be Had During November.

A meeting of the Anderson County Poultry Association is called for Saturday afternoon at 1:30 o'clock in the chamber of commerce rooms on North Main street. This meeting will be held for the purpose of reorganization and to elect officers for the next year. A full attendance is requested. As has been announced before, plans are being formulated for the annual poultry show to be held in Anderson on November 23-24. The one held last fall was a great success, but it is the intention of those in charge of the affair to make the one this year even greater. During the past 12 months the interest in chickens has grown wonderfully in Anderson county and a great deal of this is attributed to the poultry show last season. At the meeting on Saturday plans for the coming show will be discussed, and committees appointed to arrange the details.

It is not known yet just where the show will be held, that is in what building. However, it is thought that it will be in one of the store rooms on South Main street. In a few days a premium list will be gotten up and it is thought that many attractive prizes will be offered.

PRESBYTERIAN SYNOD MEETS IN ROCK HILL

ANDERSON PEOPLE LEAVE TO ATTEND THIS MORNING

HOME'S ASSIGNED

In Which They Will Be Guests—Convenes This Evening at 8 O'clock.

Anderson people will leave this morning for Rock Hill where they will attend the synod of South Carolina of the Southern Presbyterian church which convenes there this evening at 8 o'clock. Those in charge of the meeting are of the opinion that it will be largely attended and will be one of the best ever held.

The host of the synod will be one of the youngest Presbyterian churches in the state, a congregation organized about two years ago. The Oakland church building is located on the beautiful avenue leading from the centre of Rock Hill to Winthrop college and is a handsome edifice. The membership of the church is about 200. The church is a daughter of the First Presbyterian church of Rock Hill, most of the members having affiliated with that church prior to the organization of the new congregation. The Rev. Alexander Martin, D. D., for several years pastor of the First church, is in charge of the Oakland avenue church, having been called to that pastorate when the church was organized.

The Anderson party will leave for Rock Hill this morning. The following are to go from Anderson and will stay at the respective homes: Rev. D. W. Dodge with Mrs. J. W. Anderson; Dr. W. H. Frazer and Dr. A. P. Johnson, with Mr. John T. Roddy; Len Reid (Iva) with Mr. R. E. McElveen; R. L. Parker, Belton, with Mr. R. E. Tompkins and Rev. W. H. Mills and Dr. R. N. Brackett of Clemson with Mrs. Paul Workman.

Adams-Carpenter. Of Sunday evening at the home of the bride's parents, Mr. and Mrs. M. F. Adams. Miss Flora Adams and Mr. Thomas Carpenter were happily united in matrimony. The bride's father is one of the leading merchants at the Williamson mills and is chairman of the board of deacons of the First Street Baptist church. A large number of friends of the bride and groom were present at the ceremony which was performed by the Rev. W. D. Hammett, their pastor. After the marriage Mr. and Mrs. Carpenter left for Greer and other places to visit relatives for a few days.

Epworth League. The regular meeting of the Epworth League was held last evening. There was a fairly good attendance, and a very interesting devotional service was conducted. After the devotional program, a short business session was held, and plans for creating greater interest in the league were discussed.

Minister Gives Testimony. The Rev. C. M. Knighton, Havana, Fla., writes: "For three months I suffered intense pain in kidneys and back, which at times laid me up entirely. I read of Foley Kidney Pills and after trying various remedies without result I decided to try the Foley treatment. I was relieved almost with the first dose and it is a fact that I used only 11-12 bottles when all of the pains disappeared. I am 55 years of age and now feel like a young man again. Sold everywhere."

ANNUAL BELTON FAIR TO BE HELD TOMORROW

PEOPLE FROM ALL SECTIONS ARE EXPECTED TO ATTEND

HORSE RACING

Will Be Big Event As Also Fire Works Display Wednesday Evening.

Many people in Anderson county are looking forward with pleasure to the opening of the Belton fair tomorrow morning. Within the past few years this fair has taken on big proportions until now it is a day when people from all sections gather in the town of Belton to have one day of festivity.

There will be some interesting exhibits at this fair and it will be as good as a great many county fairs. Miss Jayne C. Garlington, canning club agent for this county, will have splendid exhibits of canned fruits and vegetables which she will also take to the state fair in Columbia next week. Mr. S. M. Byars, farm demonstration agent, will also have some interesting exhibits that will be of great interest to the farmers throughout the county.

In addition there will be horse races, a football game between Clemson and Newberry, and a fire works display at night. Special rates will be in effect on the railroads and round trip tickets can be bought at a small price.

SPECIAL MEETING OF BOARD OF DIRECTORS

FUTURE OF CHAMBER OF COMMERCE TO BE DECIDED

WEDNESDAY 5:30

Will Be Held in the Rooms On North Main Street and Full Attendance Requested.

Mr. W. D. Hammett, chairman of the executive committee of the chamber of commerce, announced yesterday that they would be a special meeting of the board of directors of the organization on Wednesday afternoon at 5:30 o'clock. He urges that all members of the board be present since there will be matters of vital importance to the future of the chamber of commerce discussed.

As is well known, the chamber of commerce is now practically inactive. A few weeks ago a meeting was held and action taken toward employing a secretary. However, the gentleman to whom the proposition was made refused to accept, and the matter is now at the same place that it has been for the past several months.

At the meeting tomorrow afternoon at 5:30 in the rooms of the chamber of commerce the members of the board of directors will try to decide upon the future course of the organization. This is something that everyone is interested in and it is hoped that all of the members will be present.
