BELL TELEPHONE OPERATING

The President of the United States has pointed to the great industrial army of the nation and to the necessity for a generous, unselfish observance of duty on the part of those who may best serve in that army.

The telephone system of the country is to play a conspicuous part in the conduct of the war.

Bell Telephone operating presents itself as a vocation for young women wherein a no less patriotic than valuable service to the Government may be performed.

If you are between the ages of 18 and 24, apply at 408 Market st., Philadelphia, and day, except Sunday, between 8:30 a. m. and 5 p. m.

New employes are paid while learning and are assigned to offices near their homes. The work is interesting, the environment most agreeable and efficiency is rewarded by ready advancement.

Comfortable recreation rooms and dining rooms where meals are served at cost in every Central Office.

Apply Now.
