16 DAYS' TREATMENT FOR ONE DOLLAR.

The several ingredients entering into the composition of this valuable remedy are now used by all the most eminent and successful physicians in both hemispheres. They are now, for the first time, placed within the reach of everybody. The secret of its great utility lies in the fact that it is not a "dope" whose chief effect is a violent and transitory one, but that it is in the strictest sense of the term, Nature's Nurse. This preparation contains in a concentrated and acceptable form, the very elements that make the healthy vital action of living bodies possible. By increasing the nervous energy of the whole body, those parts and organs that are weak and exhausted from misuse, abuse, or disease are actually regenerated. Partaking of the general increase of vital force, they are enabled to resume their work again; their natural activity returns; they elaborate healthy secretions as formerly, and thus the whole economy is naturally and quickly restored to vigorous health once more.
