"FANNY" AND THE KING

Edward Rex to Receive D. R. Francis of St. Louis.

London, Feb. 23.—King Edward held the first levee of the season in the throne room of Buckingham palace to-day. Ambassador Choate and other members of the United States embassy were among the diplomats present. The king was attended by the Prince of Wales, members of the cabinet and all the great officers of state.

Mr. Choate presented among others, D. R. Francis, president of the St. Louis exposition. After the levee the king sent to ask Mr. Francis if he would like to be received in private audience, and receiving an affirmative reply, promised to fix a date.

Mr. Francis will attend to-day's debate in the house of commons on War Secretary Broderick's army scheme.

During an informal conversation which Mr. Francis had with Lord Lansdowne on the subject of the St. Louis exposition the foreign secretary expressed keen interest in the fair and promised it every possible support.

Mr. Francis anticipates an early announcement of the appointment of a royal commission to arrange for Great Britain's participation.

JOHN ERICSSON'S BIRTHDAY.

New York, Feb. 23.—Swedes of this city and of cities along the Jersey shore are planning a monster demonstration for July 31, in celebration of the 100th anniversary of John Ericsson's birth, and the tenth anniversary of the raising of his statue in Battery park. It is probable that the plans now maturing will include a determined effort to obtain what Swedes in this country have long been wanting, that is a national holiday of their own, to be observed by the race all over the country.

ENGLAND'S ALASKAN COMMISSION.

London, Feb. 23.—Austen Chamberlain, the postmaster general, in behalf of his father, the colonial secretary, who is in South Africa, informed the house of commons to-day that the British Alaskan commissioners would be selected after consultation with the dominion government.
