NERVOUS DYSPEPSIA.

RADWAY & CO.—
For the past two years I was suffering from nervous dyspepsia and constipation. After eating I would have a sensation of heaviness in the stomach, feel like vomiting, pain and dizziness in the head, and then I would become nervous. I tried everything that was recommended to me. I was almost in despair. At last a friend persuaded me to try "Radway's Pills," which I did. And I am glad to say that they not only relieved me, but positively cured me. Even after taking them only a few days a regularity of the bowels was established, and the dyspeptic symptoms disappeared. Now I feel like a new person.
B. S. TREXLER, Allentown, Pa.
