WANTED—ELECTRICAL AND MECHANICAL expert. An examination of applicants will be held at the navy yard, Washington, D. C., May 17, 1901, for electrical and mechanical expert in the bureau of yards and docks, Navy Department. The pay will be fixed at $7.04 or $6.00 per diem, as the result of the examination may warrant. The examination will be open only to those who can give evidence of having received a degree in an electrical or mechanical course from an institution of learning in good standing, and who have since then had at least three years' experience in the design, manufacture or supervision, during or after installation, of electrical machinery, including the various types of dynamos and motors and modern methods of electrical distribution of power for industrial purposes and of steam plants, including engines, boilers, piping, valves and all accessories, and who are familiar with the requirements and uses of other machinery required for navy yard work, including centrifugal pumps, machinery operated by hydraulic power, machinery operated by pneumatic power, plants for heating and ventilation, central electric power and lighting plants, wiring, telephone systems, storage battery plants, etc. Applications will be addressed to the Commandant, Navy Yard, Washington, D. C., and must be delivered to him on or before Thursday, May 16. No application received after that date will be considered. Each applicant will state in his application his name, age, residence, citizenship, present occupation and previous employment work done. The applications will be accompanied by evidence of citizenship, and by certificates, preferably from previous employers, as to character, habits of industry and sobriety and skill and experience in work of the kind required. F. W. HACKETT, Acting Secretary of the Navy. my3-1aw-2w
