Message from the Mayor.
OFFICE OF CLERK OF BOARD OF SUPERVISORS, No. 7, City Hall, New-York, May 10, 1859.
The following message was received from the Mayor, with his veto on the report in favor of an appropriation for fitting up the several Police Courts:
MAYOR'S OFFICE, New-York, May 3, 1859.
To the Honorable the Board of Supervisors:
GENTLEMEN—I return herewith to your honorable body a resolution appropriating twenty-five hundred dollars to fit up the rooms of the First, Second and Third District Police Courts, with my objections thereto.
I am constrained to withhold my assent to this resolution from a conviction that the Police Courts belong exclusively to the city, and their maintenance and the providing of due accommodations for the magistrates and clerks having charge of the administration of public justice therein, belong exclusively to the Common Council.
The act of March 30, 1848, entitled "An act in relation to Justices and Police Courts in the city of New-York," divides the city into six judicial districts, and prescribes that there shall be elected in each of said districts "a police justice for the city of New-York."
By section 8th of the same act, the Common Council are authorized by ordinance to assign such police justices and their clerks to such Police Offices and Police Courts as the public business may require.
These courts are everywhere spoken of as belonging to the city of New-York in the Statutes, relating to them and the District Courts, and, in my opinion, the city, not the county, should be charged with the necessary expenditures for their accommodation.
DANIEL F. TIEMANN, Mayor.
Which was laid on the table, directed to be entered at length in the minutes, and published in one or more of the newspapers employed by the County. JOS. B. YOUNG, Clerk.
