Kane Monument Association.—Prof. J. STANLEY GRIMES will deliver the fourth lecture in course, at CLINTON HALL, Astor-place, on THURSDAY EVENING, Jan. 12, at 8 o'clock, upon the subject of "Geonomy." A new and interesting theory concerning the Physical Structure of the Earth, and the original formation of the Oceans, Continents, Mountains, Lakes, Coal-Beds and Volcanoes. Illustrated by diagrams, maps, &c. JOHN H. WHITE, Chairman Lecture Committee.

Scudder's Farewell Lectures.

Those who miss the opportunity now offered of hearing the "INDIA LECTURES," so replete with WIT, HUMOR, PATHOS, and CHRISTIAN ELOQUENCE, will ever after regret it.

New-York City Library Association Lectures.—The second of a COURSE of EIGHT LECTURES will be delivered by the Rev. J. P. NEWMAN, on FRIDAY EVENING, Jan. 13, at Dr. Burchard's Church in 13th-st., between 6th and 7th-avs. Subject—"WHITFIELD." Doors open at 7; Lecture at 8. Admission 25 cents; Course Tickets $1. S. GRISWOLD, M. D., A. T. Dow, Sec'y. Chn. of Lecture Com.

Sons of Temperance—New-York Division, No. 1. The members and former members of this Division, and others at present disconnected with the Order, are earnestly invited to attend a meeting to be held on FRIDAY EVENING, 13th inst., in the hall No. 163 Bowery, at 7½ o'clock, to devise the best means for placing the Alma Mater of the Order in the proud position it formerly occupied.

THOMAS EDGERLEY, J. BAREMORE, S. INSLEE, H. RANDAL, JOHN DILLON, D. SCOTT, E. DILLON, A. HAY, W. MITCHELL, A. MARSHALL, W. H. NASH, JOHN H. PARSONS.

Nineteenth Ward Republicans, Attention.—There will be an election for officers of the Association, for the year 1860, held at Headquarters, corner of 56th-st. and 3d-av., on FRIDAY EVENING, commencing at 7½ o'clock to 9. You are particularly requested to be present on the occasion. By order,

NICHOLAS L. BRUNDAGE, esq., President.
ROBERT L. HILL, JOHN COOPER, Jr., } Secretaries.

The Marvelous Stories of Athletes, Jugglers, and Snake-Charmers which occur in Dr. SCUDDER'S SECOND LECTURE on India are NOT taken from BARON MUNCHAUSEN, but are ABSOLUTE VERITIES witnessed by the doctor.

General Society of Mechanics and Tradesmen.—At the Annual Election of this society, held on the 9th inst., the following persons were elected officers for the ensuing year:

President—JOHN A. BUNTING.
First Vice-President—JOHN WIGHT.
Second Vice-President—NOAH WORRALL.
Treasurer—RICHARD E. MOUNT.
Secretary—WILLIAM VAN NORDEN.
Collector—FREDERICK W. WILLIAMS.

Dr. Scudder in Brooklyn.—The Rev. Dr. SCUDDER gives the second lecture of his India course at the Plymouth Church, Brooklyn, on THURSDAY EVENING, Jan. 12. Tickets for the course: Gentlemen, $1; Ladies' or Pupils' ticket, 50 cents; single tickets, 50 cents. Doors open precisely at 7, lecture at 8.

The Rev. E. G. Holland begins a Course of Five Lectures in the Young Men's Christian Union Rooms, at Clinton Hall, on THURSDAY EVENING, Jan. 19. Subject: GERMANY. $1 for the course; $1 50 for a gentleman and lady; $2 50 for a family ticket; to one lecture, 50c. Tickets sold at Francis's, No. 554, and at Evans's, No. 677 Broadway.

The Rich Bill of Fare and the EXCEEDINGLY LOW RATES are what cause the throngs who flock to the Cooper Institute and Plymouth Church to hear the eloquent Scudder.

Remember PLYMOUTH CHURCH, Brooklyn, THIS EVENING, Jan. 12.

American Institute Polytechnic Association meets at the room of the Institute, corner of 8th-st. and 4th-av., on THURSDAY, Jan. 12, at 7½ o'clock p. m. Subjects—The Franklinite Metal, and the new metal, Aluminium. All who take an interest in American works are respectfully invited. Admission free. H. MEIGS, Sec'y.

Madame Sauvageau's Dancing Academy, No. 645 Broadway, is open four times a week—MONDAYS, TUESDAYS, THURSDAYS, and SATURDAYS—Afternoons at 3, Evenings at 7 o'clock for Lessons, and from 8 until 11 o'clock for practice. The system of teaching is rational. Any person, however hard to learn, may be taught in twelve lessons. Grand Soirée Dansante TO-NIGHT.

$40. New Sewing Machine. $40.

We have just introduced the PARKER MACHINE, under patents of Howe, Grover & Baker, and Wheeler & Wilson—a first-class, double-thread, lock-stitch, noiseless, rapid, beautiful machine. VERNON & Co., No. 469 Broadway.

The "Riggs Truss."—New York and Brooklyn physicians agree that it is the best Truss in the world. Why? It is water-proof, cleanly and durable, not only, but it contracts instead of enlarging the openings, while it also saves patients from the deplorable consequences of pressure upon the Spermatic cord. Office No. 448 Broome-st., near Broadway, New-York.

New Publications.

This Day Published:
A GUIDE to the KNOWLEDGE of LIFE—VEGETABLE and ANIMAL—Being a comprehensive Manual of Physiology, viewed in relation to the Maintenance of Health. By Robert James Mann, M. D. Price 38 cents.
"This book is by one of the scientific teachers of the time; sound in knowledge, earnest in purpose, and, above all writers on intricate subjects, gifted with wonderful powers of explanation and description. Whatever requires to be known of the portions of the body, their functions and uses, and the best means for their sustentation and healthy action, is here displayed, and intelligible at a glance. Nothing is omitted which can either gratify the curiosity or inform the mind."—[Chambers' Journal.
The attention of Teachers is particularly called to this book. No such comprehensive, yet simple and intelligible Manual for teaching Physiology has ever before been published.
CHAS. S. FRANCIS & Co., Publishers, No. 554 Broadway.
In Press:
PALEY'S EVIDENCES OF CHRISTIANITY, with annotations by Archbishop Whately. 1 vol. 8vo.

AN ELEGANT BOOK!
THE WIFE'S TRIALS AND TRIUMPHS.
One volume, 12mo., printed on rose-tinted paper, and handsomely bound. Price, $1.
"The characters are distinct and well sustained—the incidents natural and varied—the style unambitious, but graceful. There is no display of learning, but ample knowledge and high culture are everywhere unconsciously visible."—[Phil. North American.
"The tone of the work is excellent, for, though not a religious novel, it is pervaded by a religious spirit. The publishers have issued the book in an exceedingly neat manner."—[N.Y. Courier and Enquirer.
"This is a story of English life, and well worthy of the beautiful dress which the publishers have given to it. To say that it is equal in interest and high moral tone to the author's previous works will be praise enough to those who have read the productions named in the title-page."—[Salem Register.
"The tale is simply and delightfully told, and its teachings are as correct as they are practical and impressive."—[Troy Arena.
In Press:

"FOOTFALLS ON THE BOUNDARY OF ANOTHER WORLD." A most startling book. By ROBT. DALE OWEN. Price $1 25. Postage, 24c. Address C. PARTRIDGE, No. 87 Park-row, New-York.

JUST PUBLISHED,
By J. B. LIPPINCOTT & Co., Philadelphia:
I.
FOOTFALLS ON THE BOUNDARY OF ANOTHER WORLD.
By ROBERT DALE OWEN,
Formerly Member of Congress and American Minister to Naples.
1 Volume. 12mo. $1 25.
This work is devoted to an inquiry whether occasional interferences from another world in this be reality or delusion. It treats of the phenomena of sleep, Dreams, Somnambulism. It examines the alleged evidences for presentiments, second-sight, house-hauntings, and apparitions; referring to the most approved modern works on hallucination, insanity, and the nervous system. It inquires whether, when we set down the narratives of all ages (including our own) that touch on the marvels referred to, as mere vulgar superstitions, we are overlooking any actual phenomena.
II.
COMPENSATION; Or, ALWAYS A FUTURE. By Anne M. H. Brewster. 1 vol., 12mo. $1.
"Her story will, we are sure, be admired and enjoyed for its healthy tone, its delightful passages concerning music, its beautiful pictures of a social life different from ours in America, its excellent descriptions of scenery, its evidences of extensive and varied reading, and the uniform elegance of its style. The publishers have printed it beautifully, and it should become a favorite in all cultivated circles."—[Evening Bulletin.
III.
CAMPBELL'S HISTORY OF VIRGINIA. The History of the Colony and Ancient Dominion of Virginia. By Charles Campbell. 1 vol., 8vo. $2 50.
IV.

RUDD & CARLETON, Publishers, No. 130 Grand-st., New-York.

A BOOK THAT MUST BE READ!
JUST PUBLISHED:
A HISTORY OF POLITICAL PARTIES IN THE UNITED STATES.
Giving an insight into the principles and policy of each successive Administration, from the Revolution to the present day, with reminiscences of Washington, Jefferson, Adams, Madison, Monroe, J. Q. Adams, Jackson, Van Buren, Calhoun, Clay, Webster, Benton, Harrison, Tyler, Polk, Taylor, Fillmore, Seward, Pierce, Douglas, Cass, Fremont, Buchanan, etc.
The subjects treated in this volume are too numerous to be elaborately stated in this announcement. Every great political question, from the Revolution to the present time, is discussed and explained, and the views of the greatest statesmen of the world given in detail thereon.
THE QUESTION OF SLAVERY
Is treated with especial care, and much light thrown on the policy of the present agitators of this distracting subject.
REPUBLICANS
MUST READ IT!
DEMOCRATS
MUST READ IT!
AMERICANS
MUST READ IT!
Ere they prepare for the great struggle,
THE CAMPAIGN OF 1860.

A liberal discount to the trade.

CHILD BURNERS.
THE GREAT LEMOINE CASE.
THE NATIONAL POLICE GAZETTE,
Now ready, beside the usual variety of highly important and interesting criminal intelligence from all parts of the world, contains
SPLENDID LIKENESSES
of MADAME LEMOINE and her guilty DAUGHTER, who have just been tried in France for the most atrocious crime that ever stained the record of any country. Those who have read the details as they were given on the trial, and which were published in the
NATIONAL POLICE GAZETTE
of last week, will be glad to look at such vivid representations of the beautiful females who could be guilty of the horrible crime of choking their child to death, and then deliberately
BURN IT'S BODY
to avoid exposure and detection.
Since the Colt and Webster murders, nothing has transpired in the world so truly diabolical.
It also contains the likeness of Wm. Birke, the murderer of a constable in Philadelphia. Those who wish to secure copies should do so early.
For sale at all News Depots.
ROSS & TOUSEY, General Agents.

"Get the Best."
WEBSTER'S UNABRIDGED DICTIONARY.
NEW PICTORIAL EDITION.
1,500 PICTORIAL ILLUSTRATIONS.
9,000 to 10,000 NEW WORDS in the vocabulary.
TABLE OF SYNONYMS. By Prof. GOODRICH.
TABLE giving Pronunciation of Names of 8,000 distinguished Persons of Modern Times.
PECULIAR USE OF WORDS AND TERMS IN THE BIBLE
With other new features, together with all the matter of previous editions.
IN ONE VOLUME OF 1,750 PAGES.
The new edition of this standard Dictionary of the English language is now ready in its various styles of binding, some on fine sized paper, with ample margin for annotations for the library or student's table.
The attention of purchasers is invited to the following points of excellence:
1. The recent labors of Dr. GOODRICH and his editorial assistants have brought the work thoroughly down to the present time, thus giving it the freshness and perfection of a new work, combined with the established merits of the old. *A many times* greater amount of literary labor has been expended upon this work than upon any other English dictionary in *the world*.
2. In all its VOCABULARIES it contains some THOUSANDS more words and meanings than any other English dictionary.
3. Its ILLUSTRATIONS are *more numerous*, of higher ARTISTIC SKILL, and better arranged for giving at one view an understanding of a given department, than any other Dictionary.
4. It presents the most complete treatise on English SYNONYMS for popular use to be found in the language.
5. In DEFINITIONS, as well of scientific as ordinary words, it retains that supremacy so long accorded to it here and in Great Britain.
6. In ORTHOGRAPHY and PRONUNCIATION it represents American usage in its vast preponderance. NINE-TENTHS of the school books of the country, and a large proportion of the issues of the periodical press, follow it as their general guide.
7. It contains *more matter* at a *lower price* than any other.
"Webster's is the BEST DEFINING Dictionary in the English language."—[Horace Mann.
"THE ACCURACY AND EXTENT OF ITS DEFINITIONS."—[Wm. H. Prescott, the Historian.
"In its *Definitions*—the object for which nine-tenths of our references to such a work are made—it stands without a rival in the annals of English lexicography."—[London Dictionary.
"Webster's *Definitions* are distinguished by clearness, terseness, and completeness."—[Dr. Ogilvie.
"I have been in the habit of using Dr. Webster's Dictionary for several years past, in preference to all others, because it far excels them all, so far as I know, in giving, and defining scientific terms."—[President Hitchcock.
"The *Etymological* part surpasses anything that has been done for the English language by any earlier laborers."—[George Bancroft.
"Has entered more deeply into *Etymological* researches, and with greater success, than any of his predecessors. Indeed, he stands, on this ground, not only unrivaled but alone."—[North American Review.
"On the great head of *Etymology*, I know nothing to supply its place."—[Daniel Webster.
"In *mechanical execution* and in *general completeness*, it is certainly in advance of its predecessors; and it also has peculiar and absolute merits of its own, which will give it an enduring value and authority with scholars and with the public."—[President Walker of Harvard University.
"No scholar should be without it, and no one who wishes to become a proficient in the English language should fail to secure the benefits of its ample departments of instruction."—[President Freilinghuysen of Rutgers College, New-Jersey, Jan. 4, 1860.
Sold by all Booksellers.
"GET THE BEST."—GET WEBSTER.
G. & C. MERRIAM,
SPRINGFIELD, MASS.

TO SCHOOL COMMITTEES and TEACHERS.
We earnestly ask those who wish to secure such uniformity in School Arithmetics as will STAND THE TEST OF TIME, and who are desirous to avoid the burdensome multiplicity of an EXTENDED SERIES, to examine
EATON'S ARITHMETIC.
Hundreds of the best educators in the land have pronounced it to be the accurate, clear, concise, yet comprehensive, philosophical, plain, PRACTICAL, "Treatise on written Arithmetic," best adapted to ALL SCHOOLS where the subject is taught.
PERMANENT UNIFORMITY cannot be secured where there are issued every few months different and conflicting editions of the same book. The use of such a book works the ENDLESS PERPLEXITY of both teachers and pupils.
The publishers of Eaton's Arithmetic, deeming its general accuracy to be so nearly perfect, can assure Teachers and Committees that there will, therefore, be no reason to alter or improve the text, and thus render the issue of a new edition necessary, which would cause a change of books in the schools, putting both parents, children, and teachers to much expense and trouble.
EATON'S ARITHMETIC
Was introduced into all the Boston Public Schools, it is testified, "SOLELY on its own merits, and in face of a powerful opposition." Its success in these schools for the past year and a half has been triumphant. In proof of this will you read the subjoined testimonial:
BOSTON, Oct. 13, 1859.
Eaton's Arithmetic, published by Messrs. Brown, Taggard & Chase, has been in use in the Grammar Schools of this city since September, 1856, and we take pleasure in bearing witness to its great excellence. The favorable opinion of the work which we formed upon its first, and, of necessity, more cursory examination, is abundantly confirmed by a year's constant use in the schoolroom.
To teachers who desire a work in which the principles of Arithmetic are clearly stated and skillfully applied, we heartily recommend Eaton's Arithmetic, believing that the more thoroughly they make themselves acquainted with it, the more highly they will appreciate its merits.
