DISEASES OF THE EYE AND EAR.

An operation is the only certain and efficacious cure for restoring the hearing to the deaf, and sight to the blind, either in young or old, and as Dr. Von Moschzisker effects these cures with little or no pain, no one should therefore defer it, as they merely defer their own suffering. From the thousands of cures he so successfully performed, some on gentlemen of the highest distinction of this country, he submits the following

TESTIMONIALS:

From Geo. Gordon, esq., New-York.

Dr. Von Moschzisker operated on my ears for deafness to my entire satisfaction. In a few days I was perfectly restored, and without inconvenience or interruption to business. I have much pleasure in recommending him

GEO. GORDON,
Clarendon Hotel.
Office No. 65 Wall-st.

New-York, June 26, 1860

From the Hon. Senator Pugh, Ohio.

I certify that Dr. Von Moschzisker treated me for deafness in 1859, and can confidentially recommend him as a skillful aurist. He has given me perfect satisfaction. GEORGE PUGH

From Capt. Kilburne, U. S. A.

I certify that in the year 1851, while in Florida, in a campaign against the Seminole Indians, in consequence of sleeping at night without shelter I became deaf in my left ear. I applied to several Army Surgeons, eminent Physicians, and celebrated Aurists without receiving any benefit. By the advice of an eminent Army Surgeon, now in this city, I placed myself under the treatment of Dr. VON MOSCHZISKER, and have every reason to hand him this testimonial, that he has given me perfect satisfaction, and treated my case most skilfully.
