The Magic
COFFEE POT, TEA POT AND URN!
No family should be without these most useful articles! Their utility in restaurants is beyond question!! In hotels they will be found invaluable!!! They need but to be seen to be appreciated, and an article possessing so much merit must soon come into general use. All the advantages secured in former improvements are combined in the construction of the
MAGIC TEA AND COFFEE POTS,
while they possess other advantages that cannot be claimed for any of the patents hitherto brought before the public. They are made with an inner vessel which is for the tea or coffee, with a space between it and the outer case for the water. Through a valve at the base of the spout (connecting with a thumb-piece near the top of the handle), either hot water, or tea or coffee can be poured at will from ONE spout, making them as convenient as they are novel in their construction. By this arrangement the contents of the inner vessel retains its heat as long as it is needed, its flavor is not injured by "steeping" or "drawing," and the aroma of tea or coffee is preserved. In all the essentials nothing has been invented that will compare with the
MAGIC TEA AND COFFEE POTS.
The proprietors of this patent take pleasure in saying that its merits have been thoroughly tested—hence the above statement, which we feel assured will be verified in every Restaurant, in every Hotel, and in every Family which puts into practical use the
MAGIC TEA AND COFFEE POTS.
This valuable improvement adds but little to their expense. They are all made under our own supervision, and in the most perfect manner. A liberal discount will be made to dealers.

"And still her grey rocks tower above the sea
That murmurs at their feet, a conquered wave;
'Tis a rough land of earth, and stone, and tree,
Where breathes no castled lord or cabined slave—
Where thoughts, and tongues, and hands, are bold and free,
And friends will find a welcome, foes a grave;
And where none kneel, save when to heaven they pray,
Nor even then, unless in their own way."

OR,
ETERNAL PUNISHMENT CONSISTENT WITH THE FATHERHOOD OF GOD.
By J. P. THOMPSON, D.D., Pastor of the Broadway Tabernacle.
1 vol., 16mo. Price 75 cents.
"Certainly we have met in the course of our reading with no other book so careful, comprehensive, and instructive as this, on the august and fearful theme of which it treats; with no book, at once so serious and so scholarly in the whole method and tone of its discussion, so kindly, patient and evangelical in its spirit, while so exact, discriminating and thorough in its analysis of principles, and its critical investigation of texts and terms. It is an admirable book for Students in Theology, as well as for all Christians who would learn and know the mind of the Lord in regard to this momentous matter, and would find God's ways clearly justified to their reason and conscience."—[Dr. Storrs in The Independent.
