POOR RICHARD'S EYE-WATER.
(Copyright secured according to Act of Congress.)
This is to certify that the subscriber was afflicted with inflammation of the eyes for many years, and of late was told by a celebrated physician that it would be necessary to undergo a critical operation, or become blind in a short time. But being fortunately advised to procure a bottle of POOR RICHARD'S EYE-WATER; and applying it according to directions, was in two days relieved of the inflammation, and the Pterygium much lessened. Further the preparation is superior to any other I ever used, in the clean feeling it leaves in the eye after using.
