Who Owns Bull Terrier?—Laron Pratt, who resides at 239 West North Temple, has at his premises a bull terrier pup, three or four months' old, that belongs to some party unknown to Mr. Pratt. The owner can have the dog by calling for it. Bell 'phone 1750-y.

Mrs. Donnellan Easy—Mrs. Bert C. Father of Prof. Strane Here—The presence in the city of Jackson Strane recalls to mind the death and drowning in the early summer of his son, Prof. James A. Strane, of the University of Utah. The young man was on a trip east when he met his tragic end. His father is here for the purpose of gathering the son's effects, and arranging some matters relative to the estate.

Will Install Sewerage—Inspector F. E. Clark of the state board of health has returned from Logan, where he went the other day, in the interest of a local sewerage system. He found the city fathers favorable to the proposed improvement, only the cost will be such as to force them to make haste slowly. In the article the professor says: "Undue emphasis has been placed upon the injurious effect of sulphur dioxide upon growing plants, and that the harmful action of the solid emanations from smelters—the so-called 'flue dust'—has been seriously underestimated."

In the Second Councilman Preece Appears to be Out of the Fight For Re-election.

Last night the Republican primaries were held in every Salt Lake voting district, to elect delegates to the city and ward conventions. FAIR AND CONFERENCE TRAFFIC

The first State fair held in two years, and the semi-annual conference, occurring together the first week in October, assure the influx of an immense throng of people from all parts of the west. The railroads give special rates to cover both events, reaching into all the adjoining states and territories.

Advance inquiries to the railroads and the fair people indicate a record-breaking attendance. Thousands of people are coming prepared to do their fall and winter shopping, and the ENTERPRISING MERCHANTS of our city should at once lay before their country patrons what they have to offer in the way of bargains.

To reach the people IN THEIR HOMES, there is only one medium, and that is the SEMI-WEEKLY NEWS issued every Monday and Thursday. Special rates are accorded regular advertisers in the daily.

During Fair and Conferene week, all country subscribers of the "News" are invited to call and receive a FREE COPY of the daily, during their stay in the city, rendering that paper an invaluable advertising medium while the Fair and Conference last.
