

Christmas

Our store has experienced forty-one Christmas Seasons and each one has been bigger and better than the one before. That's why we now have such a large, completely stocked Jewelry Store. It just came to us through honest, progressive business methods and natural growth.

Most all these years, our store has been recognized the "Gift Store of Anderson." That's partly due to the fact that it is a Jewelry Store but mostly on account of our honest effort to always give our patrons the best possible values and service.

We have stocked our store with all sorts of little novelties which we thought you would like to select as gifts, as well as laying in an unusually large assortment of the regular, staple article you would expect to find in any up-to-date Jewelry Store.

We really do not believe there is a single thing anyone could expect to find in a Jewelry Store anywhere that we haven't provided.

Come in and let us show them to you.

SOCIETY

Announcement Party.

A beautiful entertainment for Saturday and a pretty compliment to two charming young women, Mrs. Blair Rice of Belton, and Miss Floride Harris of this city, was the elegant course luncheon given by Miss Bessie Major, at her lovely home on South McDuffie street.

A charming color scheme of gold and green was effectively carried out in the decorations of the pretty luncheon table, in the yellow chrysanthemums used. Over all was the radiance of many soft lights.

After the guests were all seated, each drew the ribbon attached to their plate, and read the attractive little verse written on it. When Mrs. Julian Clinkscales drew her card she read the announcement of the engagement of Miss Floride Harris, and Mr. Prue Ligon, two of Anderson's most popular young people. This announcement was received with the heartiest congratulations of all present for Miss Harris and she was the recipient of many expressions of love and interest from her friends.

This marriage will be an interesting event for the Christmas week, and will be the most important social event of the month.

A delightful course menu was daintily served, and a most enjoyable morning was spent.

Among the guests present were: Mrs. Blair Rice of Belton, Mrs. Leon Rice, Mrs. Prue Clinkscales, Mrs. Julian Clinkscales, Misses Jean and Floride Clinkscales, Misses Gilreath, Annie Cooley, Nellie Barton, Rosamond Burdine, Wilhelmina Faust.

For Miss Duncan.

Mrs. J. R. Vandiver entertained a delightful box party at the Anderson theatre yesterday afternoon in honor of her charming guest, Miss Louise Duncan of Barnwell.

After the picture, Mrs. Vandiver carried her guests to Atkinson's Drug store where a delicious sweet course was served.

The guests invited for the afternoon, were Misses Nelle and Louise Duncan, Jean and Floride Harris, Luta Smith, Isabel Webb, Zoe Bryyles, Marguerite and Louise Henry, Sara Sanders, Elizabeth Buxton, Elizabeth Van Wyck and Annie Chapman.

Mr. and Mrs. G. B. Greene have gone to Laurens to visit relatives.

Mrs. Herbert Smothers has returned to her home in Columbia, after a visit to relatives here.

Musical.

The musicale to which the Robert E. Lee chapter issued invitations some weeks ago, and which was postponed, has been arranged for Friday afternoon at half past three, at the residence of Gen. M. L. Bonham on Greenville street.

A beautiful program of the very best local talent has been planned and the afternoon will be a most enjoyable one for all who attend. During the social feature, dainty refreshments will be served.

Cabiria.

Cabiria, one of the most wonderful and beautiful moving pictures ever made will be shown at the Anderson theatre on the 15th of this month. There are over 7,000 people in the cast, and it took fourteen months to make the picture. This will be a splendid opportunity for the people of Anderson to see this marvelous picture.

Miss Carrie Fretwell has returned from a two months visit to Tennessee and to Madisonville, Ky., where she was the guest of Miss Sara Hayes.

Mr. and Mrs. F. B. Crayton, Misses Louise Gilmer, Linda Thompson, Sara Osyton and Mr. George McConnell will leave this morning for Darlington, where they will spend several days with Mr. and Mrs. William B. McCown. They will make the trip in Mr. McConnell's big car.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take no chances! Move poisons from liver and bowels at once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take this time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious fruit laxative. Children love it, and it can not cause injury. No difference what ails your little one - if full of cold, or sore throat, diarrhoea, stomach-ache, bad breath, remember a gentle "inside cleansing" should be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit! Be sure you get your drugist for a "Coca-Cola" bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no small claims. Hand back with contempt any other brand.

CLEANUP CONTESTS ARE BEING STARTED

LEBANON SCHOOL IS FIRST IN COUNTY TO INAUGURATE ONE

SCORING POINTS

Depend on Whitewashing Out Buildings, Pruning and Spraying Trees, Etc.

The women's organizations at the various schools in Anderson county are doing a great work and especially is this so with the one at the Lebanon school. The ladies of that section are taking great interest in their work and splendid results have already been obtained.

At a meeting held at the rural hall, the only one of its kind in the county, on Saturday afternoon was very entertaining and a program is given below. At this meeting Miss Jayne C. Garlington suggested that a house cleaning contest be inaugurated which met with hearty approval, 20 homes promising to enter. Score cards are now being made out and three prizes will be offered. Points are made by whitewashing outbuildings, fixing fences, hanging gates, pruning trees, spraying, etc.

Miss Garlington stated yesterday that she hoped to have these contests started at all of the women's clubs in the county and if she does, it will mean much to the communities. This is one of the best features, in the opinion of many, that has yet been started, and will doubtless result in many homes and places being renovated and fixed up.

The following program was rendered at the meeting Saturday afternoon. Farmers' union's song.

Clean Fall Farming, paper—Mrs. C. M. Robbins.

Selecting Cotton Seed, paper—Miss Sadie Horton.

Alfalfa Types, What is the Most Profitable Variety, paper—Miss Alma Thompson.

The Split Log Drag, paper—Miss Mary Broyles.

What Will the Farmers Do Next Year? paper—Miss Garlington.

The State Fair, paper—Miss Maybell Cooner.

Agricultural Revolution in the Palmetto State Illustrated by the State Fair—T. M. Welborne.

A Place for Everything and Everything in Its Place—A very witty piece written by Mrs. T. M. Welborne was read by Miss Sadie Clark.

S. M. Byars, demonstration agent discussed Farming for Profit, touching on soil fertility, plant disease and insects.

A number of helpful comments were made by Rev. C. L. Martin and others.

THE EPWORTH LEAGUE HAD SOCIAL MEETING

Olden Time School With Costumes Caused it to Be Very Enjoyable.

The regular monthly social meeting of the Epworth League of St. John's Methodist church was held last night and was by far one of the most enjoyable affairs of its kind ever given. The attendance was good.

Instead of the usual social gathering last evening something new and yet old was the order. Sometime ago it was decided to have this gathering in the form of an old time school, which was successfully done. The girls were costumed like the school girls of long ago and the boys like the youngsters of olden times. Mr. Edward Valentine, was the old maid school teacher and he like the children, and in fact the entire affair, was very ridiculous. A spelling match was one of the principal features of the evening and during recess fruits were enjoyed.

Why You Should Use Chamberlain's Cough Remedy.

Because it has an established reputation won by its good works.

Because it is most esteemed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium or any other narcotic.

Because it is within the reach of all. It only costs a quarter. For sale by all dealers.

Another Oyster Supper

The annual Parasetha class of the First Baptist church will again serve oysters next Saturday in the former Hillman store room on East White street. Service will begin at 12 o'clock and run to midnight. In addition to oysters, sandwiches, lemon soup, etc., will be served by these charming young ladies.

Moved and Seconded.

Paul Armstrong says a lawyer acquaintance of his, who lives in Seattle, was retained to defend a darkey accused of abducting with the funds of a colored debating society. The outlook for the defendant was rather black.

At the trial the attorney for the defense arose as soon as the charge had been read and said:

"Your honor; I move that this indictment be dismissed."

Before he could proceed further his client was on his feet, too, addressing the bench without a trace of embarrassment.

"Your honor," said the defendant briskly. "I seconds dat motion." Saturday Evening Post.

Bear This in Mind.

"I consider Chamberlain's Cough Remedy by far the best medicine in the market for colds and croup," says Mrs. Albert Blosser, Lima, Okla. Many others are of the same opinion. For sale by all dealers.

Money Couldn't Buy It

The relief he personally experienced moved Mr. W. F. Briggs, Konawa, Okla., to write to the Pinus Laboratories a letter of appreciation in which he says:

"Fruitola and Traxo helped me so much I am advising all who suffer with gall-stones to try them. Money wouldn't buy what this medicine has done for me."

Fruitola is an intestinal lubricant that softens the congested masses, disintegrates the hardened particles that cause so much suffering and expels the accumulated waste to the intestine relief of the patient. Following a dose of Fruitola, Traxo should be taken three or four times a day to restore the system that has been weakened by constant suffering. It is a splendid tonic, acting on the liver and stomach most beneficially.

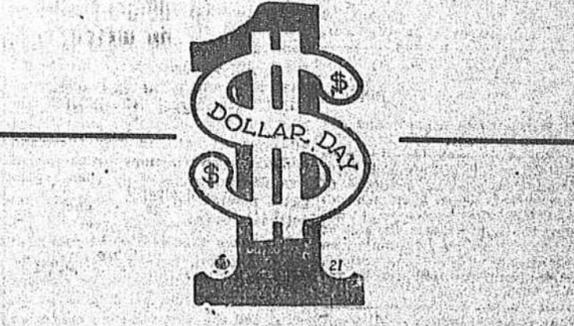

Fruitola and Traxo are prepared in the Pinus Laboratories at Monticello, Ill., and arrangements have been made to supply them representative druggists. In Anderson they can be obtained at Evans' Pharmacy, Three Stores.
