Special Notices.

Tammany Society, or Columbian Order.—At a very large meeting of this Society, held in the Council Chamber of the Great Wigwam, on Tuesday evening, July 23, 1861, the following gentlemen were elected a Committee to draft a preamble and resolutions, viz.: Daniel E. Delavan, George H. Purser, John Clancy, Thomas J. Barr and John E. Devlin, who reported the following:
Whereas, It has pleased an all-wise Providence to remove from the field of usefulness and honor our beloved Grand Sachem, Col. WM. D. KENNEDY, whose name is identified with the history of our Order, one to whom we have been bound by ties of the closest fraternity, combining manly energy with gentleness, and exhibiting a real tempered with discretion, an enthusiasm wisely directed in behalf of objects intended to promote the benefit of our common country, and a lofty patriotism, which, while looking upon party or agitation as a means, desired only the happiness of mankind as the end of his efforts—who, in the crowning labor of a life of unceasing activity and inspired by the noblest impulses, gathered around him a regiment of citizen-soldiers, consecrated for the most part of members of this Order, and marshaled to the field of action under a banner representing this Society. Therefore,
Resolved, That while it is doubly sad to reflect that we, who recently bade our deceased brother God-speed on his departure for the scene of duty and of danger, and mingled our regrets at his absence, with just praise for his patriotic conduct, should through the interposition of the Divine hand, at this early day, stand as mourners over his remains, yet there exists to us and to those who loved him a consolation the highest which can temper affliction, that as his life was generous, manly, and just, his death was equally honorable, and that he leaves as a heritage the record of a spotless name, never to be breathed but with recollections of affection and respect.
Resolved, That the Council Chamber of our Great Wigwam be draped with mourning, and also the banners of the Society for the period of one year, and that the members thereof be requested to wear the usual badge of mourning for six months, and that the Society attend the funeral in a body.
Resolved, That a copy of the above resolutions, duly authenticated, be presented to the family of the deceased.
ELIJAH F. PURDY, Grand Sachem, pro tem.
CASPER C. CHILDS, Secretary.

AN UNSURPASSED ASSORTMENT.

Morton's Celebrated Gold Pens.—Improvements made in the machinery for manufacturing Gold Pens, secured to the subscriber by Letters Patent, have enabled him to overcome the many imperfections hitherto unavoidable in their production, and also to bring the cost within the reach of all. He writes public attention to the following facts: Constant writing for six months is done cheaper with Gold Pens than with Steel, therefore, it is economy to use Gold Pens. The Gold Pen makes unchanged by years of continued use, while the Steel Pen is ever changing by corrosion and wear; therefore, perfect uniformity of writing is obtained only by the use of the Gold Pen. The Gold Pen is always ready and reliable, while the Steel Pen must be often condemned and a new one selected; therefore, in the use of the Gold Pen there is great saving of time. Gold is capable of receiving any degree of elasticity, so that the Gold Pen is exactly adapted to the hand of the writer; therefore, the nerves of the hand and arm are not injured, as is known to be the case by the use of Steel Pens. He is now selling Gold Pens at prices varying from 25 cents to $1, according to size, the average wear of every one of which will far outlast a gross of the best Steel Pens. Sold by all dealers in the line throughout the country. Wholesale and retail at the store, No. 25 Maiden-lane, where all orders, inclosing cash or post stamps, will receive prompt attention; and a Pen or Pens corresponding in value, and selected according to description, will immediately be sent by mail or otherwise, as directed. Address
