WHEREAS, the LINDELL HOTEL COMPANY, by its deed, dated the first day of December, eighteen hundred and fifty-nine, and recorded in the Recorder's Office of St. Louis County, in Book No. 224, at page 202, and also by its other deed, dated the said first day of December, 1859, recorded in Book No. 230, page 326, confirmatory of and supplemental to said first deed, did convey unto WILLIAM M. MORRISON, EDWARD BREDELL and FRANKLIN A. DICK, the following described real estate situated in block No. 126 of the City of St. Louis, and described as follows:
First: A lot or parcel of land fronting two hundred and seventy-one feet on Washington avenue by one hundred and fifty feet in depth, and bounded south by Washington avenue, east by Sixth street, north by the north line of the field lot confirmed to Joseph Taillon, and known as survey No. 1,509, and west by Seventh street. *Second:* A certain lot or piece of ground situate in said block, containing about seventy feet, be the same more or less, on Sixth street, by one hundred and thirty-five feet deep on Green street, be the same more or less, being lot known and designated on the plat of the lots laid out and made an addition to the town of St. Louis, by William Christy, as lot No. 37, bounded on the west by No. 36 as laid out by Christy, on the north by Green street, on the east by Sixth street, and on the south by the lot herein first described, which said conveyances were made to said Morrison, Bredell and Dick, in trust to secure the payment of certain bonds therein described, amounting to four hundred thousand dollars, being eight hundred bonds of five hundred dollars each, payable in ten years from the first day of December, eighteen hundred and fifty-nine, to Peter Lindell or bearer, with ten per cent interest, payable semi annually, from that date, all payable at the Bank of Commerce in New-York, and whereas among other things it was provided in said deeds that if the interest upon said bonds, or any part thereof, should become due and remain unpaid for thirty days after the maturity thereof, that then by reason of such default the said bonds should forthwith become due and payable, notwithstanding said bonds may not appear on their face to be due, and whereas said Lindell Hotel Company has, as is believed, negotiated, sold and pledged six hundred and sixteen of said bonds, amounting to three hundred and eight thousand dollars, upon all of which the semi-annual interest becoming due on the first day of June, eighteen hundred and sixty-one, has been due for more than thirty days, and is still unpaid, although some or all of it has been demanded.

MONDAY, Oct. 21—P. M.

Contrary to the expectations of the bears, who felt encouraged by the movement of Saturday afternoon, the Stock market opened this morning with a good deal of firmness, and without any marked activity the quotations showed an advance generally on the closing quotations of last week. The speculative actions were not much developed, nearly all the transactions being for cash, to cover maturing contracts. Parties interested for the fall did not appear disposed to put out options to any important extent, having increased their short lines on Saturday largely. The sales late in that day were much larger than reported, including $155,000 Government sixes, 2,000 shares Toledo, 700 Erie, and 1,900 Central. A portion of these stocks sold regular could not be delivered to-day by the sellers. The bulls, under the depressing circumstances of Saturday, exhibited great firmness, and are equally confident to-day, although not acting with much energy. They look with the fullest faith for the success of the Federal arms and for a general return of business prosperity to the country. They see that the Government has all the money and men it needs to crush out the rebellion, and although the market may be temporarily agitated and depressed by such indiscreet publications as Mr. Seward's letters to the Governors of the loyal States, and the correspondence between the Secretary and Lord Lyons, and some small disasters to the Federal forces, yet they believe the great result—"the pacification" of the Union—is an absolute certainty, and not very far distant. We have seldom witnessed in Wall street greater confidence in the future than is exhibited by the prominent parties who are now operating for the rise. A heavy market like that on Saturday increases their disposition to buy, as was shown by their large purchases late in the day. The market opened this morning with a good demand for Government Sixes, which sold at 94@94¼—an improvement of ¼ ₱ cent on Saturday. In State Bonds, there was quite a moderate business done, with a steady market, excepting for Missouris, which fell off to 44¼, and sold later in the day at 43¼, closing, however, firm at that. Railroad Bonds are dull. Central was steady at 77¼, which was rather better than the closing prices of Saturday. Erie and Pacific Mail were also firmer, the latter selling at 92. Erie advanced to 32¼, against 31¼; the preferred stock sold at 53. The party who bought the 5,000 shares a few days since at 50 has been offered 53 for it to-day, and declined the offer. In Western shares, the dealings were moderate, excepting in Toledo, which was firmer at ⅛ ₱ cent advance. Rock Island improved ¼ ₱ cent, and Galena ¼ ₱ cent. The Michigan Southern issues were steady. Between the Boards the market was dull, and at the Second Board Government Stocks were sustained, but the shares are generally lower, with but little doing. Pacific Mail was among the firmest stocks, improving to 92¼ bid. Central was fairly active, and fell back to 77; Erie sold at 31¼; Toledo at 35¼; Rock Island at 50¼, &c. After the Board there was in the street a little rally, Central being 77¼ bid, and the market closed steady: United States 6s, registered, 1881, 93¼@94; United States 6s, 1881, coupon, 94¼@94½; United States 5s, 1874, 84@84; Tennessee State 6s, 42¼@43; Virginia State 6s, 45¼@46; Missouri State 6s, 43¼@43¼; Canton Company, 9¼@10; Delaware and Hudson Canal Company, 85@86; Pennsylvania Coal Company, 76@78; Cumberland Coal Company Preferred, 5@5¼; Pacific Mail Steamship Company, 92¼@92½; New-York Central Railroad, 77¼@77½; Erie Railroad, 31¼@31¾; Hudson River Railroad, 36@36¼; Harlem Railroad, 13@13¼; Harlem Railroad, Preferred, 31¼@31½; Reading Railroad, 35@35¼; Michigan Central Railroad, 49@49¼; Michigan Southern and Northern Indiana Railroad, 17¼@18; Michigan Southern and Northern Indiana, Guaranteed, 37@37¼; Illinois Central Railroad, 65¼@66; Galena and Chicago Railroad, 70¼@71¼; Cleveland and Toledo Railroad, 35¼@35¼; Chicago and Rock Island Railroad, 50¼@50¼; Chicago, Burlington and Quincy Railroad, 63@63¼, Panama Railroad, 116@118.

The market for foreign bills opens nominally with firmness, but the transactions are limited, and some private dealings have taken place at a decline. Bankers are asking 107¼@107½, but transactions have taken place at 107¼. Commercial signatures are 106@107¼. Francs 5.32½@5.37½.

There is a fair activity in the Money market at 6@7 ₱ cent on best collaterals, and the supply is ample on demand for the wants of the street. The discount houses are doing but little in paper, the quantity of paper on the market being small. Leading names go at 6@7 ₱ cent.

The subscriptions to the National Loan at the Sub-Treasury are not very large to-day, about $250,000. The city agencies, have deposited about $150,000 and the country agencies, $350,000. The Sub-Treasury officials have been very busy to-day in receiving an installment of $2,800,000 from the Banks on their subscription to the loan, and paying back to these institutions $1,050,000 on account of notes sold to the public. The above installment makes 90 ₱ cent paid up and been refunded; $16,650,000, or about 46 ₱ cent of the payment by the Banks today, only $15,000 are in Treasury Notes. The Banks are holding on to their sixty-day notes, although over due. The new subscriptions to the 7.30 Notes are largely paid in the Two-Years 6 ₱ cents. The result of this must be more rapid and larger calls upon the Banks to meet the current expenditures of the Treasury. The drafts against the balance here are very large and the new system adopted by Mr. Cisco, of calling only when the deposit line falls below a fair working balance, enables the Banks to carry out the process of paying up their subscriptions without embarrassment. Our Banks now hold within seven millions as much gold as before the first installment on the loan was paid, while at Boston the specie reserve in the Banks is half a million greater than at that time. Boston has been a creditor city, and has been able to make a considerable portion of her payments at the Sub-Treasury in this city from our bank vaults. The Boston Banks have been reimbursed from sales at the Sub-Treasury in that city $4,385,000.

The business of the Clearing-House to-day was $23,209,526.

Coal transported on the Delaware and Hudson Canal:

	Week ending Oct. 19, 1861.	Total for season.
Delaware and Hudson Canal Co, tuns	34,984	620,147
Pennsylvania Coal Co	19,395	533,501
Total tuns	41,379	1,153,644
For the corresponding period last year:		
Delaware and Hudson Canal Co, tuns	16,713	392,740
Pennsylvania Coal Co	23,588	604,160
Total tuns	40,301	996,900

We cannot hear of any action on the part of the Bank Committee to consider the propriety of taking the third fifty millions of the National Loan at once. The matter committed to them has been discussed, but they have arrived at no conclusion. There appears to be no doubt that various propositions have been made to Mr. Chase in regard to the $100,000,000 of stock which he is authorized to issue, none of which are acceptable. The whole or certainly one-half could be placed at once at 7 ₱ cent, but the Secretary believes he can obtain better terms. In the mean time, our banks think they should for their own safety control this issue, but do not seem as yet ready to meet the low views of the Secretary.

The Ohio and Mississippi Railroad is to be sold today at Cincinnati, in pursuance of decrees in chancery, in a cause wherein E. D. Morgan of this city et al. are complainants. The sale is at the instance of the second mortgage bondholders, subject, of course, to the first mortgage bonds.

It is stated that the Michigan Southern Railroad has appealed to the Supreme Court of Michigan in an action to restrain the collection by the Auditor-General of the State of a portion of the tax assessed upon their capital stock, &c., and which they claim under the law to be illegal.

The foreign advices are favorable for Breadstuffs.

The National loan subscription last week in Boston was $719,645, at Philadelphia, $900,000.

The Cincinnati Gazette of Saturday says:

The Agents of the Cleveland, Columbus, and Cincinnati, and both the Miami, are again in market for New-York and other Eastern freight.
