Smith's majority, 122.
THOMAS McCORMACK, JOSEPH P. BOYCE, WILLIAM RODEN, } Inspectors.

A Meeting of Delegates from the various Wards in reference to the future Mayoralty of this city, was held at the Girard House on Tuesday evening, Nov. 12th. Dr. James Kennedy of the 5th Ward was chosen Chairman and J. O. Johnson appointed Secretary. Ira B. Tuthill, esq., of the 6th Ward made some well chosen and telling remarks in regard to the necessity of a good city government, and the importance of having the right man for Mayor, when the following preamble and resolutions were submitted by him, and unanimously adopted:
Whereas, among the conflicting political interests which exist in regard to the man who shall be the future Mayor of this city, the vast importance of union of action and sentiment by all parties upon a matter which involves the enormous prosperity of this commercial emporium, and the pecuniary interests of its tax paying, laboring citizens, and the great importance of having a man for that important post, who, from long commercial life with us, has become familiar with its various interests, who is qualified for the discharge of its duties, who is honest and can bestow upon the office his whole time and attention, and who feels also interested in correcting growing abuses. And believing that Samuel Hotaling, esq., one of our most respectable merchants, is well fitted by education, gentlemanly bearing and long city experience, for that important office and believing also that other political organizations or conventions of this city can, with great propriety, unite upon him; therefore be it unanimously
Resolved, That Samuel Hotaling, esq., of this city is the choice of this Convention, and that we do hereby nominate him as the candidate for Mayor of this city at the ensuing election.
Resolved, That we, the delegates to this Convention, do hereby pledge ourselves to do all that we can do in our several wards and with other Conventions to promote his election.
Resolved, That the proceedings of this meeting be submitted to a People's Convention and to other Conventions who, and that a Committee of one from each ward be appointed to submit the name of Samuel Hotaling.
—All of which were unanimously adopted.
A Committee of three was appointed to wait upon Mr. Hotaling to inform him of his nomination—when Mr. Hotaling was introduced to the Chairman, and addressed the meeting in substance as follows:
MR. CHAIRMAN AND GENTLEMEN: I feel somewhat embarrassed under the circumstances in which you have by your action placed me. I sincerely thank you for this expression of your preference of me for the next Mayor of this city. No one feels more deeply at heart the interests of this city than I do—having been a toiling merchant here for nearly thirty years, sharing its prosperity and also its adversity, its weals and its woes, and all this time doing whatever I could reasonably do for its commercial prosperity, its good government, and the proper husbanding of its vast and multifarious resources.
This occasion does not furnish me a suitable opportunity for making a speech. Your Committee require my answer, and, in obedience to their request, I will not decline the nomination, as you have tendered it to me by your unanimous action this evening, because I see before me, as the Delegates of this Convention, most respectable and responsible citizens from every Ward in this city, who represent the Democratic party, the Republican party, the National Union party, and also the Old Whig party. You do, therefore, properly represent the whole political interests of this city, and inspire me with the confidence and belief that it is proper for me to obey your wishes, entertaining as I do the confident hope that your conference with other organizations will result in harmonious union for the future interests of our city.
The meeting then adjourned, subject to the call of the Chairman.

Eighth Ward Republican Meeting.—At the meeting held at No. 128 Prince-st., in accordance with the call of the REPUBLICAN CENTRAL COMMITTEE, a large majority of the Republicans of the Ward being present, when, on motion that the Recording Secretary take charge of the Roll in the absence of the other Secretary, which motion was in accordance with the rules of the Association, Mr. Sleakly, who was in the chair, ruled and stated a motion not in order, and refused to put to the voice of the meeting the motion for decision, whereupon the members feeling themselves aggrieved, adjourned to another room in the same building, and were about proceeding with the business of making nominations to the several Conventions, when said Sleakly sent for a squad of policemen, and while proceeding quietly, were forcibly ejected from the building; and, having no other resource, adjourned to No. 185 Spring-st. (Spring-st. Hall), and there organized a meeting by calling to the chair Mr. Archibald Hasard, and Thomas McDougall as Secretary, he being one of the Secretaries of the Association.
Whereupon the following named gentlemen were elected to the various Conventions, having polled 61 votes:
MAYORALTY—Wm. C. Moneypenny, William Moir, John Fitzgerald, Isaac Johnson, George Derr.
COUNCILMANIC—Geo. McDougall, John McDermott, Chas. Murdick, William McClain, Peter Kuntz.

Third Edition.
The Littlejohn Libel Suit.—Dewitt C. Littlejohn against Horace Greeley—damages laid at $25,000—tried at the late Oswego Circuit before Judge Bacon, and fully reported for THE TRIBUNE by J. L. Crosby—is published in a neat, compact pamphlet of 56 pages, and for sale at this office. Price 10 cents. Although the great bulk of the evidence collected for the defense was ruled out by Judge B., yet the opening on that side by ISAAH T. WILLIAMS, esq., gives a good idea of its character and of the grounds of our due keep of the New-York legislation of 1860, its engineers, and their instruments. The rulings of Judge BACON and the comments thereon by JOHN K. PORTER, esq., of Albany, deserve and will command the attention of lawyers and jurists. And whoever wants to see whatever can be said against the defendant in this suit by a bitter political and general adversary, who knows that he is not to be answered, must be gratified with the summing up for the plaintiff by the Hon. HENRY A. FOSTER. The close examination of the defendant by the Hon. CHAS. B. SEDGWICK, likewise, presents some noteworthy aspects. As political libel suits are less common than formerly, and as the legislation of 1860 is a subject of enduring interest, we believe many will find this pamphlet worth reading and preserving.

Rocket Battalion for the Army of the Potomac—Raised by special desire of Major-General McCLELLAN and Brig. Gen. BARRY, Chief of Artillery.
Those desirous of joining this "Crack Corps" should apply immediately to Headquarters, No. 455 Broome-st.
T. W. LION, Commanding.

D'Epineuil Zouaves.—This splendid regiment, organized on the French plan, is rapidly filling up. The entire command will be about two thousand strong, about one-half of which are ready for marching orders. A few good men are wanted for the Second Battalion. Call at the Recruiting Quarters, at City Hall Park. Colonel L. J. D'EPINEUIL, Headquarters, No. 66 White-st.

Light Cavalry.—The 1st Regiment U. S. Lancers, which is organizing in this city, is rapidly filling up. Col. SMOLINSKI, to whom is intrusted the formation of it by the War Department, is a veteran of high military attainments, having served in the Polish, French, and English service, and is favorably known in the military circles of those countries. The headquarters of the Regiment is the War Department, Washington, D. C., a branch of which is at No. 1 Park-place, corner of Broadway, New-York, in charge of Acting Adjutant Lieut. P. E. McTIGHE, to whom all communications on the business of the Regiment from the loyal States are to be addressed. Gentlemen wishing to raise companies of 45 men each, will receive First Lieutenancies, and in similar grade, to the lowest non-commission. Privates ambitious of military honors, are offered many inducements and guaranteed speedy promotion. Pay for privates, $14 per month.

To Unassigned Military Companies.—Two full companies can now be received in the 12th Regiment N. Y. Volunteers, commanded by me.
This regiment has been reduced in numbers by the discharge of men who were mustered into the service for only three months; but the regiment is in a sound and prosperous condition, and is attached to Gen. Wadsworth's Brigade, stationed on Upton's Hill, Va., in the advance of the Army of the Potomac.
It is believed that this fact will present a strong inducement to officers and men who are desirous of entering at once into active service.
Inquiries in regard to the condition of the regiment may be made of Gen. McDowell or Gen. Wadsworth.
Communications may be addressed to me at Washington, D. C. R. M. RICHARDSON,
Lieut.-Colonel 12th Regiment N. Y. V. Commanding.

United States Sharpshooters, Col. Berdan.—Good shots, desirous of joining this favorite corps, may apply to Capt. H. D. TYLER, at the Camp of Rendezvous, Weehawken, near 42d-st. Ferry landing. This company will be thoroughly equipped before leaving camp.

U. S. Mustering Office.—Officers of Volunteers should have written authority from their Colonels to recruit, as evidence to the U. S. Mustering Officers for transportation or settlement of accounts. This written authority should also be indorsed by the United States Mustering and Disbursing officer.
No account will be paid or transportation given unless the above rule is conformed to.
