CLOSING OF MAILS

Foreign mails will close promptly as indicated below at the General Post Office and City Hall Station. Ordinary prints, samples, parcel post packages and registered articles close two hours earlier, except that registered articles have to be mailed between the hours of 8 AM and 12 PM. At the Foreign Station (corner of Morton and West streets) foreign mail closes half an hour later than at the General Post Office and City Hall Station. Supplementary mail closes at the General Post Office and City Hall Station, where double postage is required. SUPPLEMENTARY MAIL (double postage required) closes at the Foreign Station half an hour later than the supplementary closing time shown below, except that supplementary mail for European countries and for Central America, &c, via Cristobal, closes one hour later. Whenever mail vessels sail between the hours of 9 AM and 6 PM a supplementary mail post office on the steamship pier is open to the public 1½ hours before the scheduled sailing time and closes 10 minutes before the scheduled sailing time. Double postage required. The steamers for which supplementary mail is accepted on the pier at time of sailing are shown below by a dagger (†) following time of closing of mail.

The corrected reading of the barometer (reduced to sea level) at New York on Monday, Oct 24, 1921, at 8 AM, as reported by the United States Weather Bureau, was thirty and twenty-one hundredths (30.21) inches. This closely approximates seven hundred and sixty-seven and three-tenths (767.3) millimeters. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

Wind at Sandy Hook, 8 PM, NE, 13 miles; clear; smooth sea.
