Special Notices.

First Ward On Deck.—At a meeting of the "George Opdyke Club" of the First Ward, held at No. 52 Greenwich-st., on Monday evening, Nov. 25, 1861, the following preamble and resolutions were adopted:

Whereas, The people of the City of New-York have, for a series of years, witnessed with regret and even indignation, the manner in which the Municipal affairs have been directed, by means of which the taxes have been quadrupled within the past few years, and the management of the city affairs has become a by-word and reproach to our common sense and honesty; and

Whereas, It is the duty as well as the interest of all fair-minded honest citizens of the City of New-York to select for their officers and rulers none but honest, fair intelligent, honorable, upright men for positions of Municipal honor and trust—men whose characters are without spot or blemish—or "Caesar's wife, above suspicion;" therefore, we, the officers and members of the George Opdyke Club of the First Ward, do unanimously

Resolve, That we congratulate the Republican Mayoralty Convention upon their success in selecting from the very many honorable, upright men whose names were submitted to that body, the name of George Opdyke as the candidate of that party for Mayor, firmly believing that the said Convention was influenced and actuated by those honest motives which should be the ruling spirit in all bodies.

Resolved, That in George Opdyke we recognize that honest upright, high-toned gentleman, whom it should be the delight of the city to honor, a man thoroughly identified with the interests of our city, whether commercial, manufacturing, or otherwise, and whose chief pleasure has been thus far to benefit his fellow man in all that renders life honorable, whose example to posterity is of inestimable value.

Resolved, That from this day forward we will use our best efforts, and all honorable means, to accomplish the election of George Opdyke to the office of Mayor of the City of New-York, to which he has been so fittingly nominated, believing it to be the duty of the First Ward, in the present emergency, to be near the first in the support of a proper man for such office, and that our Ward shall, for once at least, give a majority for an honest man.

After which three rousing cheers were given for George Opdyke, our candidate for Mayor.

Pres't of George Opdyke Club of the 1st Ward.

Royal Phelps.

Wm. G. Lambert, esq., Chairman, called the meeting to order, and requested D. Humphrey, esq., the Secretary, to read the call. Jonathan Nathan, esq., the Chairman of the Nominating Committee, being absent from sickness, Dr. Heath, the Secretary, read the following report:

The Committee appointed to nominate candidates for the offices of Alderman, Councilmen, and School officers for the XVIIIth Ward, respectfully report: That after due deliberation, they have unanimously selected the following named candidates:

For Inspector of Schools,

The Committee beg leave to submit the following resolutions as part of this report:

Resolved, That in Samuel B. Ruggles is presented a candidate eminently deserving of the undivided support of the electors of the Ward. A citizen of ability, of approved integrity, of untiring energy and perseverance in matters of public interest and importance, and of great experience in municipal affairs, he is recommended as a candidate for the office of Alderman, in the confident belief that to him may be safely intrusted as well the interests of his immediate constituent as those of the whole city.

Resolved, That the ability and independence which have characterized the official course of William E. Curtis, School Commissioner, entitle him to the confidence and support of his fellow-citizens, and that we tender him our cordial support for re-election.

Resolved, That in William H. Neilson, James W. Underhill, and Henry J. Scudder, we recognize ardent and efficient friends to the public schools; their long experience in the various offices connected with our schools, the fidelity displayed by them in the discharge of their duties, and their high personal character, alike recommend them to the honest voters of the Ward.

Third Judicial District, Eighth and Ninth Wards.—At a meeting of the Citizens of the VIIIth Ward, held at Spring-st. Hall, Nov. 25, inst., the following preamble and resolutions were unanimously adopted:

Whereas, By the demise of the late lamented J. Sherman Brownell the office of Police Justice of the IIId Judicial District has become vacant; and

Whereas, It is desirable that there should be placed in the seat so made vacant some person possessing those prominent characteristics so pre-eminent in our late Justice, viz., honesty, integrity and firmness, happily blended with abundant sociable qualities, that commanded the admiration and respect of all who knew him; therefore, be it

Resolved, That we find in WILLIAM J. BRISLEY a man every way fitted to adorn the place left vacant by the death of Mr. Brownell, and so like him in the possession of those essential qualifications that distinguished his official and social life, that we cheerfully present him to the electors of this Judicial District as our candidate for Police Justice.

Resolved, That we present him as the mechanic and workingmen's friend, one whose apprenticeship from 1823 to 1834 was served in the VIIIth Ward, and whose identity with the residents of the VIIIth and IXth Wards to the present time has made him truly the "People's Candidate," and we hereby pledge ourselves to use every honest effort to procure his election.

Thanksgiving at the Five Points House of Industry, No. 155 Worth-st.—Having a large number of poor and neglected children under their care, the Trustees of this Institution hope for a liberal share of the thank offerings of the season. Friends whose benefactions have been large in previous years, in consequence of reverses, are unable to contribute now, which creates a necessity for a more general application for assistance. Many who cannot give large sums will perhaps cheerfully contribute $1, which will give three hearty meals per day for 15 days. $5 will feed a child for 11 weeks. $25 will furnish food for 12 children for one month. Cast-off garments, clothing material, and provisions of all descriptions will be gratefully received, and sent for, if requested. Contributions may be sent directly to the House, through the Post-Office, or handed to any one of the Trustees. The House is open at all times to visitors. The children dine every day at 12 o'clock. On Thanksgiving Day, the children will be in Chapel from 12 until ½ o'clock, when they will have their dinner, after which they will again assemble in the Chapel. President, Archibald Russell, No. 45 10th-st.; Secretary, Hugh N. Camp, of Camp, Brouson & Sherry; Treasurer, Marshall Lefferts, No. 145 Broadway; Trustees, Frederick G. Foster, No. 13 East 15th-st., Charles H. Dabney, of Duncan, Sherman & Co., Charles H. Thanksgiving Donation Visit.—The friends and Patrons of the Home for the Friendless are cordially invited to visit the Institution on Thanksgiving Day, Nov. 28. Exercises by the children, from 3 to 5 o'clock; also, from 6:30 to 8 p. m. The Institution has no endowment, but relies solely upon charitable contributions to meet its current expenses. At the present time its ordinary supplies are much diminished, while the numbers needing its aid are largely increased. Some 850 girls and boys are connected with this Mission, most of whom have earned, by well-doing, their (hoped for) Thanksgiving repast. The wants of the coming Winter are expected to press heavily, and contributions, large or small, will be most thankfully received.

Third Edition.

The Littlejohn Libel Suit.—Dewitt C. Littlejohn against Horace Greeley—damages laid at $25,000—tried at the late Oswego Circuit before Judge Bacon, and fully reported for THE TRIBUNE by J. L. Crosby—is published in a neat, compact pamphlet of 56 pages, and for sale at this office. Price 10 cents. Although the great bulk of the evidence collected for the defense was ruled out by Judge B., yet the opening on that side by ISAIAH T. WILLIAMS, esq., gives a good idea of its character and of the grounds of our disesteem of the New-York legislation of 1860, its engineers, and their instruments. The rulings of Judge BACON and the comments thereon by JOHN K. PORTER, esq., of Albany, deserve and will command the attention of lawyers and jurists. And whoever wants to see whatever can be said against the defendant in this suit by a bitter political and general adversary, who knows that he is not to be answered, must be gratified with the summing up for the plaintiff by the Hon. HENRY A. FOSTER. The cross-examination of the defendant by the Hon. CHAS. B. SEDGWICK, likewise, presents some noteworthy aspects. As political libel suits are less common than formerly, and as the legislation of 1860 is a subject of enduring interest, we believe many will find this pamphlet worth reading and preserving.
