Special Notices.

At a Regular Meeting of the Eighteenth Ward Republican Association, held on TUESDAY EVENING, 24th February, inst., at their headquarters, corner of Broadway and 23d-st., the following resolutions offered by Councilman THOMAS STEVENSON, were unanimously adopted and ordered to be published in The Tribune:

Resolved, That it is eminently right and proper that this Republican Association should record its grateful acknowledgements for the eminent success that has thus far attended our national arms in putting down rebellion and treason, and raising again the glorious old flag, the Stars and Stripes, in places where fratricidal hands had recently torn it down.

Resolved, That our thanks are also eminently due, and are hereby gratefully tendered to the officers and men, both in our army and navy for their courage and bravery, as exhibited in the recent victories at Roanoke, Elizabeth City, Edenton, Fort Henry, Fort Donelson, Clarksville, Nashville, and numerous other places that might be mentioned, assuring them that their names will ever be cherished by a grateful people, and that we will teach our children to revere their memories.

Resolved, That we have unlimited confidence in the power of the National Administration to put down this rebellion, sustained as it has been, and will be, by the strong arms and determined hearts of millions of freemen, and we believe that the same indomitable courage and military skill that has succeeded in the past, will ere long have a perfect cordon thrown around the Rebel States, and thus settle the question of blockade more permanently than the "stone fleet" could ever do.

Resolved, That Slavery has ever been a stain upon our national escutcheon, and in the opinion of this Association the sole cause of the present war; and that no permanent peace can be confidently expected while such a dangerous element exists in our midst, and we believe that "He that releth in the armies of Heaven, and among the inhabitants of the earth," has prospered our arms, because with every victory has gone forth the righteous mandate, "let the oppressed go free," and we expect that when the sound of the last gun fired in this unholy war shall have died away, and the glad tidings of peace shall be proclaimed in all our dwellings, that then there shall go up from every valley, and echoed from every hill top the shout of redeemed millions, that our beloved country—the land of Washington—is indeed and in truth, a Land of Liberty—of Liberty for all.
