MONDAY, March 24—P. M.

The Stock market this morning was very strong, but the amount of dealings was not large. There was no pressure of Stock on the market, and a large portion of the shares sold for cash were taken back again on time. There was no large activity in any particular Stocks, but the attention of operators was mainly directed to Erie and Toledo, both of which were in good demand. There was also some revival of the movement in Central at about Saturday's prices. Government Securities were very firm, with large transactions at 94⅛@94¼ for the Sixes of 1881. The Fives of 1874 sold at 87¼. In State Stocks there was not much done, but the market was firm. Between the Boards prices were steady, with moderate transactions, and at the Second Board the feeling was still strong, although the amount of business transacted was not large. There was a good demand for buyers' options in Erie and Toledo, which was not met. The latter sold at 47 regular, against 46⅞ in the morning. There is a spirited contest in this stock between the bulls and bears, and bets have been made that it will sell at 50 within a week. It is now, we believe, generally admitted that the directors, who meet here on Thursday, will declare a 3 ₱ cent dividend. Governments were strong and active, excepting Treasury notes, which were offered at par after the negotiation made by Mr. Cisco was known. After the Second Board the buoyancy of the market received a slight check from rumors industriously circulated that the Merrimac was off Sandy Hook, and that the army had met with a serious reverse in Virginia. Quotations, however, later in the day stood at about the highest points, and were steady at U. S. 6s, Reg., '81, 94@94¼; U. S. Coupons, 1881, 94¼@94½; Treasury Notes, 7 3-10, 99⅞@100; Tennessee State 6s, 58⅞@58¾; Missouri State 6s, 52¼@52½; Pacific Mail Steamship Company, 97⅞@97½; New-York Central Railroad, 83⅞@83½; Erie Railway, 37⅞@38; Erie Railway, Pref., 62@62½; Hudson River Railroad, 36@36¼; Harlem Railroad, 13; Harlem Railroad, Preferred, 32; Reading Railroad, 42⅞@43; Michigan Central Railroad, 57½; Michigan Southern and Northern Indiana Railroad, 23⅞@24; Michigan Southern and Northern Indiana Railroad, Guaranteed, 48; Illinois Central Railroad, 66; Cleveland and Pittsburgh Railroad, 17½@18; Galena and Chicago Railroad, 69⅞@70½; Cleveland and Toledo Railroad, 46⅞@46½; Chicago and Rock Island Railroad, 56⅞@57.

The business in foreign bills is light and the rates are steady at 111⅞@112 for best Sterling.

Freights continue inactive and rates are somewhat unsettled. To Liverpool the engagements are: 10,000 bush. Corn at 6d., 1,500 bbls. Flour at 1s. 7½d. @ 1s. 9d., 250 bbls. Lard at 17s. 6d., 300 boxes Bacon at 19s., 100 boxes do. at 20s., per neutral ship; and per steamer 1,800 boxes Cheese at 40s., 1,300 boxes Bacon at 35s., and 300 firkins Butter at 40s. To London: 150 tuns Logwood at 25s., 100 tuns Canada Butt Staves at 25s. 150 boxes Bacon at 29s. To Glasgow: 100 tcs. Lard at 32s. 6d. The charters are a vessel of 1,000 tuns, to a direct port in Ireland, with corn, at 8d. in bulk and bags.

The business of the Sub-Treasury was: Receipts, $1,614,577 61—for Customs, $259,000; Payments, $2,079,005 62; Balance, $3,571,458 97.

The earnings of the Cleveland and Toledo Railroad the third week of March were:

Third week, 1862	$71,450
Third week, 1861	70,520
Increase	$3,930

The following statement shows the business of the Reading Railroad during the month of Feb., 1862, compared with the same month of 1861:

Mr. Cisco, the Sub-Treasurer, negociated to-day, in about an hour, with banks and bankers, three millions of 7.30 ₱ cent notes at par and interest, and without commission or abatement of any kind. The notes will be here to-morrow, and be then paid for. The banking houses participating in this loan were Messrs. Ketcham, Son & Co., G. S. Robbins & Co., and Grant & Barlow. The proceeds of this sale is needed for army purposes. A million of demand notes were sent West to-day, and nearly a million to the South. It is supposed this negotiation will bridge over the time until the new demand notes are ready. The first installment of these new notes go forward from the National Bank Note Company—10s and 50s—on Friday.

Gold is moderately active at 101⅛@101¼.

In Government Indebtedness Certificates there is an active business at 97@98, at which they pay a large interest, being payable within a year. The purchaser pays the back interest the same as in 7.30 ₱ cent notes.

A ship, now in New-Orleans, is chartered to load cotton at 5c. ₱ pound, and is now loading. The balance of the ships in port, some ten or eleven, are also taking cotton at the same rate on foreign account, in expectation of the speedy occupation of that city by the Union forces.

The news of the taking of Beaufort, burning of the piratical steamer Nashville, &c., was received at the Produce Exchange with loud cheers.

Included in the imports of general merchandise for the week are $6,885 in China, $25,931 in earthenware, $5,329 in glass, $12,415 in camphor, $15,951 in chicory, $8,491 in gambier, $21,422 in indigo, $5,688 in essential oils, $27,831 in opium, $6,469 in paints, $5,472 in bicarb. soda, $29,759 in soda ash, $11,660 in felting, $15,752 in oranges, $31,730 in sauces and preserves, $26,952 in watches, $45,835 in dressed hides, $5,757 in undressed hides, $23,215 in champagne, $11,935 in chains and anchors, $5,279 in copper, $11,561 in cutlery, $17,182 in hardware, $24,714 in lead, $5,824 in metal goods, $5,037 in needles, $24,381 in steel, $15,181 in spelter, $107,440 in tin, $9,714 in zinc, $8,832 in pepper, $8,523 in rosewood, $19,581 in bags, $5,513 in cigars, $15,872 in coal, $109,482 in cotton, $11,211 in fish, $7,550 in hair, $22,667 in hemp, $24,421 in honey, $34,243 in India-rubber, $29,697 in molasses, $30,009 in rice, $7,744 in salt, $5,893 in seeds, $26,448 in linseed, $251,323 in hhds. and bbls. sugar, $58,938 in boxes and bags sugar, $287,061 in tea, $50,443 in tobacco, $40,041 in spirits turpentine, $30,443 in waste, $115,217 in wool.

The Weekly Bank Statement shows that the banks are still selling their Government securities. They pay about 3 ₱ cent profit and as the public are anxious to buy them the banks are no doubt doing well to feed the demand. The mercantile loans are increasing slightly. The specie reserve continues to run up nominally, a very large part of the line is, however made up of special deposite and cannot be legitimately counted as belonging to the banks. The nominal actual amount to-day is $33,000,000. The Deposit line shows a natural decline and the circulation is again being expanded under the legal tenderness of the demand Treasury notes. The mercantile loans have been expanded about three and a half millions from the lowest point in February, and the Deposit line is down over $11,000,000 from the highest point, touched about the middle of February. The loan certificates have been paid off down to $9,339,000. The largest issue was $20,700,000. These have been replaced by Government 5 ₱ cent certificates.

The following is a comparative statement of the condition of the banks of New-York City, from March 15 to March 22:

	March 22.	March 15.
