WEDNESDAY, April 2—P. M.

The improved feeling shown yesterday in the Stock market was not sustained to-day. The market evidently needs the impulse of some stirring military events to give it activity and buoyancy. Both parties appear to await the result of the coming week before disturbing the sluggishness of the market. The advices from the South to-day are favorable, but not of sufficient importance to cause any movement. In Governments there was a moderate movement at yesterday's price—93 for the 6s of 1881. The Border-State Stocks were very heavy. At the Second Board, the market was dull, and the tendency of prices was downward. The changes were not important, and the market was rather steadier at the close. Large sales of Coupon 6s were made at 92½, but 93 was the closing quotation. The last business in Central was at 86½. Sales of Missouris were made at 50½, which is again lower. Virginia sold at 2 ⅌ cent difference between regular and seller sixty. At 4½ o'clock the quotations were: U. S. 6s, 1881, Registered, 93@93; U. S. 6s 1881, Coupons, 93@93; Treasury 7.30 per cents, 99½@99¾; American Gold, 102½; Tennessee State 6s, 54; Missouri State 6s, 50½@50¾; Pacific Mail Steamship Company, 97½; New-York Central Railroad, 82½@82¾; Erie Railroad, 36½@37; Erie Railroad, Preferred, 61½@61¾; Harlem Railroad, 12½@13; Harlem Railroad, Preferred, 30½@31½; Reading Railroad, 41½; Michigan Central Railroad, 55½@55¾; Michigan Southern, 23; Michigan Southern Guaranteed, 46@46½; Illinois Central Railroad, 60½@61½; Galena and Chicago Railroad, 67½@67¾; Cleveland and Toledo Railroad, 45½@45¾; Chicago and Rock Island Railroad, 55@55¼; Cleveland and Pittsburgh Railroad, 17@17½.

The market for Sterling is steady but inactive, at 112@112¼. Francs are 5.07½@5.02½. The sale of £89,000, made a few days since by Government, was against the unexpended balance of a remittance made some time since for the purchase of army cloths.

Freights are dull and heavy. To Liverpool, the engagements are 16,000 bush. Corn at 5½d. in bulk and bags; 1,200 bbls. Flour at 1s. 3d.@1s. 4½d.; 900 and bags; 1,200 bbls. Flour at 1s. 3d.@1s. 4½d.; 900 boxes Bacon at 17s. 6d.; 600 pkgs. Lard at 17s. 6d.; 300 boxes Cheese at 30s.; 200 bales East India Cotton at 3s. 3d. ⅌ bale; and ⅌ steamer, 1,135 boxes Bacon at 35s.; 100 hhds. Hams at 35s., and 500 boxes Cheese at 40s. To London, 1,000 bbls. Flour at 1s. 10½d.; 300 bbls. Petroleum Oil at 7s. To Glasgow, 216 tcs. Lard at 22s. In charters, we hear of several vessels taken up to load Guano, to the extent of 6,000 tuns, at the Chincha Islands, to go to Falmouth for orders, at £4.

The business of the Sub-Treasury was: Receipts, $963,567 81—for Customs, $210,000; Payments, $1,456,672 48; Balance, $1,932,071 27.

The traffic of the Hudson River Railroad Company for March, shows a very large gain on the same month last year. The river broke up much earlier in 1861:

March, 1862	$308,963 46
March, 1861	167,559 96
Increase	$141,403 50

The current six months earnings have been:

	1860.	1861.
October	$193,950 63	$175,260 69
November	169,548 71	197,761 77
December	229,370 19	246,282 92
January	223,157 37	307,330 18
February	205,342 69	281,268 10
March	167,559 96	308,963 47
Total	$1,179,929 55	$1,515,167 38
		1,179,929 55
Increase		$335,237 83

The earnings of the Detroit and Milwaukee Railroad from Jan. 1 to March 29, 1862, were; $136,489 48, against $102,895 15 for the same time in 1861.

The market is more active for gold, and considerable sales were made at 102½@102¾, the latter on time. Some of the time purchases were made to cover exchange already drawn.

The 7.30 per cent Treasury Notes are plenty, and the absorption for investment has measurably ceased. They are selling at 99¾@99¾. The demand Notes are becoming more abundant again, and nearly $400,000 were deposited to-day with Mr. Cisco, mostly by city banks, for 5 per cent certificates. Mr. Cisco is sending them to the West for the payment of troops. The indebtedness certificates are very abundant, and in excess of the demand, at 96½@96¾.

Money is sufficiently abundant at 6@7 ⅌ cent on demand, and 5@7 ⅌ cent on paper of very favorite signatures.

The engravers are sending forward about a million per day of the new Demand Notes, but will send a much larger amount as soon as the large notes are ready. The printing of fifty million of the Short Sixes, authorized by the last loan bill, was we presume awarded to-day at Washington.

The following table shows the comparative imports of merchandise, and exports of produce and specie (exclusive of the imports of specie), from the beginning of the fiscal year to date:

The North River Insurance Company has declared a dividend of 6 per cent, payable April 10th.

The business of the Clearing-House to-day was $19,222,657.

There was a much larger crowd at the Sub-Treasury to-day than yesterday, for the collection of 7.30 per cent interest, but the amount paid was less than $80,000. The demands were in small amounts. The Banks gained in specie about a million, from the disbursement of interest yesterday.

The Brockport Republic states on authority of one of the assignees of the Brockport Exchange Bank that a dividend will be made to its creditors about the 1st of August next, of about 50 cents on $1 of their claims.

Reports are very industriously circulated by the bears as to the enormous daily expenses of the Government, placed at the absurd sum of $4,000,000. As vouchers for these statements, the names of the highest Treasury officials are given, without a shadow of foundation.

The sale, made under decree of the United States Court, of the Terre Haute, Alton and St. Louis Railroad to the Committee purchasing on account of the assenting stock and bondholders, has been confirmed by the Court. A new Company will be now formed; the second overdue coupons on the first mortgage bonds will be paid; and the balance of the overdue coupons on all the issues funded, and new securities issued in pursuance of the agreement of all parties in interest. This will give to the holders as follows: About $6,000 new first mortgage bonds for $5,000 of the old issue and overdue interest; about $8,000 new second mortgage bonds for $5,000 of the old issue and interest; about $1,400 Preferred stock for $1,000 of the old third mortgage bonds, and 50 per cent of new stock to old stockholders. The road bed, under the management of Mr. Griswold, agent for the Receivers, is represented as having been put in first-rate condition.

The Syracuse Journal says that the passenger traffic on the N. Y. Central is largely on the increase, and is already nearly double what it was any time during the Winter.

The Niagara Herald is informed by Mr. G. G. Smith, Freight Agent of the Central Road, that there is no cessation in the amount of freight passing eastward.
