MERCHANTS' EXCHANGE NEWS-ROOM.—As there is some inquiry as to the future location of the Merchants' Exchange, I beg leave to state that upon the disposal of the Exchange building to the Government in February—it was the suggestion of the leading bankers and merchants of this city—I secured for their use the first floor of the building southeast corner of Exchange-place and William street. As evidence that this is the recognized Merchants' Exchange, I subjoin a part of the subscription list under the new organization.
