Foreign Advertisements.

TO CONSUMERS of RICHARDSON'S IRISH LINENS, DAMASKS, DIAPERS, CAMBRIC HANDKERCHIEFS, &c.

The unsettled state of the markets for some time past on this side of the Atlantic, attributable to corresponding influences in the United States, and the enhanced value given to desirable goods there, through recent unprecedented circumstances, have afforded to unscrupulous dealers another highly tempting opportunity TO COUNTERFEIT OUR GOODS, and knowing the considerable quantities of worthless fabrics prepared in imitation of our style, and sealed with the name of "Richardson," have been shipped this season to the United States, we feel called upon again to CAUTION the CONSUMER against the purchase of any linen fabric offered as "Richardson's" unless bearing the full signature of our firm, viz:
J. N. RICHARDSON, SONS & OWDEN.
To those who give a preference to our manufactures, we offer the same guarantees as to quality, soundness of bleach, and durability on goods have always borne; and white we are determined to protect our interest on this side by prosecuting rigorously any infringement of our rights. We trust our American friends will assist us in putting down a nuisance, for which they as consumers and we as manufacturers, are mutually interested.
In times like the present, when the cost of importation is so much augmented, it behooves the consumer to see that they get value for their money, and this they are more likely to obtain by dealing exclusively with first class houses, who are always supplied with our goods. Respectfully,
J. N. RICHARDSON, SONS & OWDEN,
Belfast, Ireland.

MONDAY, Aug. 25—P. M.

Wall street is firm this morning, under the report of a much-looked-for military success. Early in the session, a despatch was read, reporting a "masterly movement of Sigel, resulting in the capture of some 2,000 prisoners." This encouragement was seized upon with avidity, new buyers appearing in the market and prices improved materially, especially in the Western roads. Governments of 1881 opened firm, the Coupons, with small sales, at 102⅞ and 101, but after the call, under good orders, advanced to 101⅞ bid. The Treasury issues were all steady at Saturday's prices. There is little life apparent in State Securities, particularly in the Border issues, the uncertain condition of military affairs in those States intimidating buyers. Gold was quite firm at the start—quoted at 110⅛@110⅜—but on the second call it was heavy, owing to the news above alluded to; with large sales present it closed at some ⅛ ⅌ cent decline—110⅛@110⅜. Pacific Mail was ¼ ⅌ cent better, the sellers' options being freely taken by parties selling the cash stock at an advance; it closed 110⅞@111. The Railway shares were remarkably strong, the greatest advance being in Hudson River, at 51⅞@51⅞; Michigan Southern, 31⅞@31⅞; Guaranteed, 63⅞@63⅞; Galena, 73⅞@74; Toledo, 53⅞@54; Rock Island, 68⅞@68⅞; Chicago, Burlington and Quincy, 86@86⅞. In Boston still further advance is noticed the most important being in New-York Central to 105 bid, 105 for subscriptions, 103⅞ for 7s, 1864, 111 for 1876, with none offered; the Convertibles of 1876 stand at 112@114; Erie Lts were 109⅞@110; 2ds, 1864, 108; do. of 1879, 110; 3ds, 103⅞@104; 4ds, 92⅞@93⅞; 5ds, 88@89⅞; Hudson 1sts, 110@110⅞; Ills., 1 ⅌ cent better; Sinking Funds 100, 8ds, 93⅞@94; Convertibles, 89 bid, Harlem 1sts, 107 offered; 2ds, 101@102, 3ds, 83⅞; Michigan Central (old), 108⅞@110; the new, 111 bid; Michigan Southern Sinking Funds, 101⅞@102; Toledo Sinking Funds sold at 96; Pittsburgh, Fort Wayne and Chicago 1sts at 96; 2ds, 83⅞@83⅞; Chicago and North-Western Assented Bonds, 51⅞, &c. Between the Boards the market was firm. Governments were firm, especially 7-30 ⅌ cent Treasury Notes, which sold to the extent of $70,000 at 101⅞ an advance of ⅛ ⅌ cent. At the close the market was steady. The 4 o'clock quotations were: United States 6s, '81, reg'd, 101; do. do. do. Coupons, 101; United States Treasury Notes 7-3-10, 101⅞@102; Tennessee State 6s, 51⅞@52; Missouri State 6s, 48; American Gold, 110⅞@110⅞; Pacific Mail Steamship Company, 111@111⅞; New-York Central Railroad, 93⅞@93⅞; Erie Railway, 38⅞@38⅞; Erie Railway Pref., 63⅞@63⅞; Hudson River Railroad, 51⅞@52; Harlem Railroad, 16⅞@16⅞; Harlem Railroad Preferred, 43⅞@44; Reading Railroad, 59⅞@59⅞; Michigan Central Railroad, 68⅞@69⅞; Michigan Southern and Northern Indiana Railroad, 31⅞@31⅞; Michigan Southern and Northern Indiana Guaranteed, 63⅞@63⅞; Pacatonica Railroad, 139⅞@140; Illinois Central Railroad, 62⅞@62⅞; Cleveland and Pittsburgh, 35⅞@35⅞; Galena and Chicago Railroad, 73⅞@73⅞; Cleveland and Toledo Railroad, 53⅞@54; Chicago and Rock Island Railroad, 68⅞@68⅞.

The market for foreign bills is quiet, with a fair amount of bills offering; as the close, the market was weak. The changes from Saturday are unimportant. The rates (first-class bankers'), as quoted by N. Brandt, are as follows: London, 60 days', 157⅞ ⅌ cent; three days', 127⅞ ⅌ cent; Paris, 60 days, per Dollar, 4f. 83½c.; three days', 4f. 40c.; Amsterdam 60 days' sight, per Guilder, 48½c.; Hamburg, 60 days' sight, per Mark Banco, 42½c.; Frankfort, 60 days' sight, per Florin, 48½c.; Bremen, 60 days' sight, per Rix Dollar, 92c.

Freights are again firmer, and rates still tend upward, owing to the scarcity of room, if not vessels. To Liverpool, the engagements are 42,000 bush. Wheat, at 11d. @14½d. in bulk and bags; 3,000 bbls. Flour at 3s. 10½d. @4s.; 700 pkgs. Butter and Cheese at 47s. 6d. To London, 7,000 bush. Wheat at 11c. to fill up. The charters are a vessel with 35,000 bush. Wheat to Dublin at 14½d.; two vessels with 40,000 bush. Wheat to Cork and a market at 15d.; a foreign brig with 12,000 bush. Wheat to Bristol at 14½d.; an American brig of 280 tons to the north side of Cuba at $4,500; an American brig of 200 tons to Vera Cruz at $3,000; a British brig of 204 tons from Cow Bay to New-York with Coal at $3 75 per ton, and a British brig of 1,500 bbls. capacity to the West Indies and back at $1,750.

The business of the Sub-Treasury was: Receipts, $783,773 06—for Customs, $95,000; Payments, $1,996,631 22; Balance, $7,660,390 96.

Gold was firm at the opening, and sold at 115⅛, but under the reports from Virginia became weak, and sold as low as 115⅛. At the close 115⅛ was bid. The transactions have not been very important. The arrival of a million from California over supplied the demand. The business in 7.30 Treasury Notes was active toward the close, with an upward tendency in prices. At the close 104⅞ was bid. Demand Notes for Custom-House use are in moderate demand at about previous quotations, 107⅞@107⅞. Indemnities Certificates are in good inquiry, and selling at 99⅞@99⅞.

There is nothing of importance at the Sub-Treasury to-day. The 4 ⅌ cent deposits are quite light, partly in consequence of the scarcity of Demand Notes, which, notwithstanding the increase in call deposits, are not abundant. Mr. Cisco has not yet received any small notes or postage currency from Washington. The engravers are sending them to Washington, but only in moderate amounts until they can increase the number of plates and put more presses at work.

Money is without important change, but was a trifle more active. One of the banks was collecting about $300,000 in demand notes for the payment of State bounties, which made some stir. The rates on call, with current collaterals, are 3@5 ⅌ cent. Gilt-edged paper is 4@6 ⅌ cent, and very scarce.

The exchanges at the Clearing-House this morning were $34,901,558 85.

The Bank Statement for the week shows a general expansion in the items, the largest in loans, which are over two and a half millions, mostly of the Treasury-Note negotiation of the Government. The deposits are influenced by the same cause, although the average does not show it. The increase in the specie line is moderate, as is also the variation in circulation.
