CHAUTAUQUA COUNTY.—A correspondent writes: Chautauqua County has some 1,300 men in camp, ready to march as soon as equipped and uniformed. We have permission from the Governor to send forward a regiment of eleven companies, ten of which are infantry and one of rifles or sharpshooters, making over 1,100 men. This regiment is numbered the 112th, and a finer one, taking all into account, will not leave the State. Cattaraugus County will raise eight companies—about 800 men—and with the two companies we have over, will make another regiment. Those men are now in camp, called after the late Col. James M. Brown of the 100th Regiment, who fell at the battle of Fair Oaks. The 112th Regiment will leave for Washington, via Elmira, on Thursday, the 18th inst. The other regiments, composed of Cattaraugus recruits, and the remainder of Chautauqua will leave a week later. Chautauqua County has raised her quota within 100 or less, and is constantly sending into camp men which reduces the number daily. I missed in your paper you gave Col. R. E. Fenton the credit of raising those men, of which he, out of twenty other citizens, is entitled to the least, although he has rendered all. They are men who have spent days to his hours, and dollars to his cents, to bring about the speedy organization of these regiments, and many of them do not care to have him receive the entire credit of their labors.

SATURDAY, SEPT. 13—P. M.

Stocks are better to-day, the average advance being ½ ₩ cent. The continuous telegrams of Rebel advances, together with the severe storm, produced a depression yesterday, which is in remarkable contrast with the genial and hopeful feeling of to-day. Regular official information as to events transpiring would be a great relief. The community, however, breathe freer this morning, with what is gleaned from news correspondents. The Rebels having been unable to produce any reactionary feeling in the lawless occupation of Union territory are now in retreat, with McClellan hard pressing. The relief afforded by some decisive blow, on the part of our army, when the hope of victory has been so long deferred, would be incomparable, the encouragement to the market immense. Governments were strong, with the exception of 1881 loan; the Registered at 99¼ and Coupons at 99¾, were ½ ₩ cent down. Treasury 7.30s were ½ ₩ cent better, 103½@103¾. Demand Notes took quite a start, advancing ½ ₩ cent, 109½@109¾. In State Securities, Illinois 6s were better, 98½ being bid for the long loans. Tennessee 6s better at 48½@49; as also Missouri 6s at 46. Decidedly the feature of this list has been the steady demand of some days for California 7s, which have advanced the price largely to-day; 103 was bid for both kinds. Gold was ¼ down to-day, at 118¼@118⅞. The Share market was active; in New-York Central, a sale of 1,000 shares of cash stock was made, through a commission house, without affecting the price, this stock having a strong support from a large outside operator. Erie Preferred touched 70, and, later in the session, was ½ better. The balance of the list was firm, with no desire to sell, operators preferring to await some decided war intelligence to shape their course. Bonds were very strong—Eries particularly, a large advance occurring in 3ds—103¼@104; 4th at 98; 5th, 92¾@92¼; Michigan Central 8 ₩ cents sold at 112, and the bids for other mortgages were noted in firmness.

Between the Boards there was a strong market—Erie Preferred selling as high as 71¼. The market was strengthened by telegraphic reports from Baltimore that the enemy were retreating across the Potomac, and Kirby Smith was retreating from the Ohio River. The market at the Second Board was excited and buoyant, but at the close prices were a trifle off. The latest quotations were: United States 6s, '81, reg., 99¾@99¾; United States 6s, '81, coupons, 99¾@99¾; United States 6s, '74, coupons, 88½@88¾; Demand Notes, 109@109¼; 7.30 Treasury Notes, 103¼@103¾; American Gold, 118¼@118¾; Tennessee 6s, 49@49¼; Missouri 6s, 46¼@47; Pacific Mail Steamship Co., 110¼@110¾; New-York Central, 94¼@94¾; Erie Railway, 39@39¼; Erie Railway Preferred, 71@71¼; Hudson River Railroad, 53@53¼; Harlem Railroad, 15¾@16; Harlem Preferred, 39¼@40¼; Reading Railroad, 59¾@60; Michigan Central Railroad, 68¼@68¾; Michigan Southern, 31¾@32; Michigan Southern Railroad Guaranteed, 63@63¼; Illinois Central Railroad, 63¼@63¾; Cleveland and Pittsburgh Railroad, 25@25¼; Galena and Chicago Railroad, 72¼@73; Cleveland and Toledo Railroad, 54@54¼; Chicago and Rock Island Railroad, 67¼@67¾; Panama Railroad, 141@141½.
