TO OFFICERS, SOLDIERS, SEAMEN, &c., OF ALL WARS;
THEIR WIDOWS AND MINOR CHILDREN.

S. M. KNIGHT, Attorney for Government Claimants,
Washington City, D. C.,

CONTINUES to give prompt and personal attention to the prosecution of Claims of every description against the General Government, and particularly to those before the Treasury Department, Pension and Bounty Land Bureaus, Patent and General Land Offices, and Board of Claims.

An experience of years, and a familiarity with the means of obtaining the *earliest* and most favorable action on Claims, with his facilities for the dispatch of business, justify him in assuring his Correspondents, Claimants and the Public generally, that interests intrusted to his keeping will not be neglected.

PENSION, BOUNTY LAND, PATENT, AND PUBLIC LAND LAWS.

He has nearly ready for gratuitous distribution among his business Correspondents, (and those who may become such,) a neat pamphlet containing a synopsis of the existing Pension Bounty Land, Patent, and Public Land Laws, down to the end of the late Congress—including the

BOUNTY LAND ACT OF 3D MARCH, 1855,

under which all who have heretofore received less than 160 acres are now entitled to additional land; said Act grants also 160 to all Officers, Non commissioned Officers, Chaplains, Soldiers, Wagon Masters, Teamsters, and friendly Indians, of the Army, including State Troops, Volunteers, and Militia—and all Officers, Seamen, Ordinary Seamen, Marines, Clerks, and Landsmen, of the Navy, not heretofore provided for, who have served not less than fourteen days (unless in battle) at any period since 1776; and to the widows and minor children of all such persons entitled, and deceased.

This pamphlet contains "Forms of Application" more full and complete than any elsewhere to be found; adapted to the wants of every class of Claimants under the Act, with copious decisions and instructions of the department, and practical suggestions as to the course to be pursued in suspended or rejected cases.

Parties not wishing to avail themselves of the facilities afforded by this Office in securing *prompt and personal superintendence* of their claims at the Departments, can obtain copies of the above pamphlet by remitting thirty cents in postage stamps.

INDUCEMENTS TO CORRESPONDENTS.

Correspondents who prepare and forward cases for management by this Agency will be dealt with liberally; supplied with all necessary blanks *gratis*, & kept constantly advised of the changes that from time to time occur in the execution of the law.

It is within the subscriber's power to direct his Correspondents to the locality of very many persons entitled under the late Act; and having obtained several thousand Land Warrants under former laws, he is in possession of data that will materially assist in securing additional bounty.

Fees, below the usual rates—and contingent upon the admission of Claims.

The highest cash prices given for Land Warrants, Revolutionary Scrip, and Illinois Land Patents. Address

STARTLING, BUT TRUE.

WHAT EVERY WOMAN SHOULD KNOW.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety followed by sleepless nights, incapacitating the mind for its ordinary avocation and exhausting those means for medical attendance, medicines and advertised nostrums, which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilerating influence incident to the enjoyment of health, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering & misery.

"And must this continue? Must this be? Is there no remedy? no relief? no hope?"

The remedy is by knowing the causes and avoiding them, and knowing the remedies and benefitting by them.

These are pointed out in

THE MARRIED WOMAN'S
PRIVATE MEDICAL COMPANION
BY DR. A. M. MAURICEAU
PROFESSOR OF DISEASES OF WOMEN.

One Hundredth Edition [500,000] 18mo., pp. 250.
[On fine paper, extra binding, 1,00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL,

attesting the high estimation in which it is held as a reliable popular Medical

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands, both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm, as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! Many suffer from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to

CAUTION THE PUBLIC

to buy no book unless the words "Dr. A. M. Mauriceau, 129 Liberty Street, N. Y." is on (and the entry in the Clerk's Office on the back of) the title page, and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

☞ Upon receipt of One Dollar, "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION," is sent (mailed free) to any part of the United States, the Canadas and British Provinces. All Letters must be post-paid, and addressed to Dr. A. M. MAURICEAU, box 1224, New York City. Publishing Office, No. 129 Liberty Street, New York.

DR. J. B. MARCHISI'S

CELEBRATED CATHOLICON.

FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre-eminent for its curative powers in all the diseases for which it is recommended, usually called FEMALE COMPLAINTS, as those are Prolapsus Uteri, or Falling of the Womb, Fluor Albus, or Whites, Chronic Inflammation and Ulceration of the Womb, Incidental Hemorrhage, or Flooding, Painful Suppressed, and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted) no matter how severe or of how long standing.

This medicine has never been introduced by empty puffs and misrepresentations, nor is it intended that its present popularity shall be sustained by any medium but its merits and the appreciation of the public.

☞ NOTICE TO THE UNFORTUNATE FEMALE.

I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable, I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with fluor albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four bottles I find myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex alike unfortunate, may find sure relief from this inestimable medicine.

ELIZABETH A. VEWLAND.
No. 19 Westst., Utica, N. Y.

The above statement I know to be true.
F. P. NEWLAND, M. D., Utica, N. Y.

My wife, having used several bottles of Dr. Marchisi's Uterine Catholicon, and having derived great benefit therefrom, has no hesitancy in pronouncing it one of the best medicines ever produced, and recommends it to the afflicted. J. B. SLADE.
Hernando, Miss.

I have sold what you sent me, and so far as I can learn, it has given general satisfaction. I believe it to be a good remedy for those diseases for which it is recommended.

Lawrenceville, Ga. JESSE LOWE M. D.

I have no hesitation in saying, Dr. Merchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhœa, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worth of the notice of the Faculty.

Baltimore, Md. JOHN C. ORRICK, M. D.

THE Claims of this Medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of Many Prominent Members of the Medical Faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for the Catholicon as a curative agent.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from Ladies of the highest respectability, as certified by the most satisfactory authority in the pamphlet, to all which the attention of Ladies and Practitioners is respectfully invited, can be had gratis at the store of

DENTAL SURGERY.

DR. B. F. WORSHAM, has located at Orizaba, Tippah county, Mississippi. He respectfully tenders his services to the citizens of Tippah, and adjoining counties, in the capacity of a Dentist.

Dr. Worsham has been in the practice of his profession, ten years; during which time, he has carefully noted the various diseases to which the teeth and gums are incident; and having closely studied, and applied the remedial agents, for the restoration of those very important organs to health, he has no hesitation in saying, that "Dentistry," when well understood, and artfully practised, is no experiment.

Dr. Worsham inserts artificial teeth, from one to an entire sett, in a style that cannot, and shall not fail to give satisfaction. He fills, cleans, extracts, &c., according to the most improved style; always giving satisfaction to his patients. In all cases committed to his care, he will ensure satisfaction or no charge.

Those wishing to procure the services of Dr. Worsham, will please address him by mail.

The most Elegant and Useful Volume of the Year.

SEARS' GREAT WORK ON RUSSIA.

JUST published, an Illustrated Description of the RUSSIAN EMPIRE. Being a Physical and Political History of its Governments and Provinces, Productions, Resources, Imperial Government, Commerce, Literature, Educational Means, Religion, People, Manners, Customs, Antiquities, etc., etc., from the latest and most authentic sources. Embellished with about 200 Engravings, and Maps of European and Asiatic Russia. The whole complete in one large octavo volume of about 700 pages, elegantly and substantially bound. Retail price, $3.

This work has been several years in preparation, and will, it is believed, meet, in the fullest acceptation of the word, the want so universally felt for reliable information on the history and internal resources of a country occupying so large a portion of the Eastern Hemisphere, and holding so formidable a position at the present time to the rest of Europe and Asia; but of which far less is known than of any other European nation.
