HAMPTON'S VEGETABLE TINCURET

HIGHLY IMPORTANT DISCOVERY.

THE most safe and certain remedy ever known to the world for various chronic diseases, after they have reached a state, and assumed a character, hither to considered desperate and incurable.

Scrofula, Kings-evil, attended with swellings and ulcers; sore eyes and loss of sight, to a frightful extent, have been cured. Females pining away by reason of deranged secretions, broken circulations and obstructed menses, (monthly courses,) even when attended by spasms or fits, have been readily relieved

Dyspepsia yields without a struggle to its mild yet powerful action on the stomach. In Catarrh, or cough, Rheumatism, Fistula, Gonorrhea, and Syphilis, it never fails to cure, as we have fully proved. It is also efficacious in Paralysis, Dropsy, Asthma, Complaints of the Breast, Piles, Worms, Lumbago, Stricture, Diarrhœa, and Flux; usually effecting a cure—always giving relief.

This tincture tends directly to excite a healthy action in the stomach, liver, lungs, spine and kidneys—to purify the blood and other fluids, by expelling every particle of morbid matter from the system, and therefore never fails (with its accompaniments) to prove a valuable remedy for the diseases for which calomel has been invariably used. Old sores and ulcers, or any chronic affection; and for the calomel disease, it is an infallible remedy.

This remedy is perfectly vegetable, mild, agreeable and safe for persons of any age, either sex, or in any condition; acknowledged by those who have tried it to be the best known family medicine.

The justly celebrated tincture creates a craving appetite, and the patient is left at liberty to indulge it,—indeed he is particularly requested to do so. The use of this medicine will change the complexion from a pallid to a fine blooming one. After using this Tincture for six weeks, a person of any age may eat any thing that a child of ten years of age, in full health, could eat, without the least inconvenience.

Persons afflicted with any of the complaints above enumerated, are earnestly entreated not to let the prejudice commonly entertained against a new remedy, prevent them from realizing the benefits to be derived from its use. A single bottle, which may be had for $1 50, will produce a conviction of its superior efficacy in the mind of the most skeptical.

A large number of certificates, from Lexington, Ky., and many more, taken in Alexandria, D C., published in handbill form, all testifying its efficacy, may be seen on application to the proprietor at his office, east side 8th street, five doors above Riley's corner, Pennsylvania avenue, Washington, D. C.
