VOL. III. WASHINGTON CITY, WEDNESDAY EVENING, DECEMBER 4, 1844. NO. 916.

PROSPECTUS

For publishing in the City of Washington, a Democratic Newspaper, to be called

"THE CONSTITUTION."

THE undersigned, having purchased the materials of The Spectator, will issue, on or before the 10th inst. the first number of a new paper to be called "THE CONSTITUTION." It will be devoted to the steady advocacy of that system of measures which will preserve unimpaired the sacred instrument from which we borrow the name; and as constantly oppose whatever is not sanctioned by it. We shall unceasingly oppose a National Bank—a *Protective* Tariff—Internal Improvement by the General Government—a Distribution of the Proceeds of the sales of the Public Lands—Assumption of the State Debts—an abrogation of the Executive Veto, as unconstitutional and inexpedient.

We hope to make the paper worthy of the confidence and support of the Democratic party. It shall be the faithful expositor of their principles, and the ever ready medium to convey their sentiments and wishes to the public. The Democratic cause, is the cause of truth and justice. It courts the light. It shuns no investigation. And we are determined to see whether a paper, conducted with a devotion to the *principles*, rather than to the *men*, of our party—to further the great cause of human progress, rather than the mere advancement of particular individuals, will not commend itself to the confidence and favor of the people.

As soon as the all engrossing topics of the elections are over, we shall devote a liberal portion of our columns to subjects of general literature and science; endeavoring to present such matter as will amuse, instruct, and edify.

The proceedings of Congress will receive particular attention, and a full and comprehensive summary will be given, including the yeas and nays upon all important questions.

The paper, for the present, will be issued semi-weekly during the recess, and daily during the sessions of Congress, at five dollars per annum, in advance.

THE WEEKLY VOLUME, FOR TOWN AND COUNTRY—being a revival of Waldie's Select Circulating Library—will commence on 1st January, 1845, giving weekly sixteen large quarto pages, closely printed, and on fine paper, for four dollars per annum.

"The whole will be printed and finished with the same ease and accuracy as book-work. The fifty-two numbers will form two volumes truly worthy of preservation, of 416 pages each; equal in quality to 1,200 pages, or three volumes of Rees's Cyclopædia. Each volume will be accompanied by a title-page and index."

Subscriptions to the above will be received by the subscribers, at whose Bookstore a specimen of the work may be seen, and by whom the work will be regularly forwarded, strongly enveloped, to any post office in the United States.
