D'r HARTER'S IRON TONIC.
A combination of Protoxide of Iron, Peruvian Bark and Phosphorus in a palatable form. The only preparation of iron that will not blacken the teeth, so characteristic of other iron preparations.
GENTLEMEN: I have used DR. HARTER'S IRON TONIC in my practice, and in an experience of twenty-five years in medicine, have never found anything to give the results that DR. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this peerless remedy, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and incomparable remedy. I prescribe it in preference to any Iron preparation made. In fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice. DR. ROBERT SAMUELS,
ST. LOUIS, MO., NOV. 20th, 1881. 3104 Wash Ave.
It gives color to the blood, natural healthful tone to the digestive organs and nervous system, making it applicable to General Debility, Loss of Appetite, Prostration of Vital Powers and Impotence.
