CANCER

Sufferers from this horrible malady nearly always inherit it—not necessarily from the parents, but may be from some remote ancestor, for Cancer often runs through several generations. This deadly poison may lay dormant in the blood for years, or until you reach middle life, then the first little sore or ulcer makes its appearance—or a swollen gland in the breast, or some other part of the body, gives the first warning.

To cure Cancer thoroughly and permanently all the poisonous virus must be eliminated from the blood—every vestage of it driven out. This S. S. S. does, and is the only medicine that can reach deep-seated, obstinate blood troubles like this. When all the poison has been forced out of the system the Cancer heals, and the disease never returns.

Cancer begins often in a small way, as the following letter from Mrs. Shirer shows:

A small pimple came on my jaw about an inch below the ear on the left side of my face. It gave me no pain or inconvenience, and I should have forgotten about it had it not begun to inflame and itch; it would bleed a little, then scab over, but would not heal. This continued for some time, when my jaw began to swell, becoming very painful. The Cancer began to eat and spread, until it was as large as a half dollar, when I heard of S. S. S. and determined to give it a fair trial, and it was remarkable what a wonderful effect it had from the very beginning; the sore began to heal and after taking a few bottles disappeared entirely. This was two years ago; there are still no signs of the Cancer, and my general health continues good.—MRS. R. SHIRER, La Plata, Mo.

SSS is the greatest of all blood purifiers, and the only one guaranteed purely vegetable. Send for our free book on Cancer, containing valuable and interesting information about this disease, and write our physicians about your case. We make no charge for medical advice.

CHICAGO'S GRETNA GREEN.

Sixty-Three Couples Married at St. Joseph, Mich., in One Day.

St. Joseph, Mich., July 23.—Yesterday was the record-breaking Sunday of the season in Chicago's Gretna Green. Sixty-three couples from Chicago were united in matrimony at the residence of County Clerk John W. Needham.

Milwaukee also sent its contingent of brides and bridegrooms. The Cream City couples were early birds. They came before sunrise, not permitting Clerk Needham to finish his night's rest.

One bride was almost compelled to return home without having lost her maiden name. This was Miss Annie Anderson, whose spouse elect, John A. Adams, broke down and wept like a child, saying he did not want to wed.

Prompted by the bride and Officer D. E. Service, who was showing the pair the way to the Needham quarters, Adams recovered sufficient courage to proceed to the altar. Supported by sympathizing friends and by the bride, he finally went through the ceremony and returned home a married man.
