## THIRTEEN NEGROES KILLED.

### Fifty More Injured When Church Floor Collapses.

New York, Feb. 27.—Thirteen persons were killed and more than fifty injured, some probably fatally, by the collapse of the flooring of the First Street African Methodist Episcopal Church, in Brooklyn to-night. Of those killed ten were women, two men and one was a child.

The building was an old frame structure erected sixty years ago in the heart of the negro section of Brooklyn in First street near Myrtle avenue. The roof of the auditorium nearest the door collapsed, carrying down more than a hundred persons, who were crushed in the wreckage of the flooring and pews. A great volume of dust for a few moments hid from view the victims.

The remainder of the audience, feeling themselves cut off from the door and expecting every instant that the rest of the flooring would collapse under them, fought madly to reach the windows, and in some instances escaped from them and sustained serious injuries.
