CHAPLAIN FULLER;
BEING A LIFE-SKETCH OF A NEW-ENGLAND CLERGYMAN AND AN ARMY CHAPLAIN.

The Rev. ARTHUR B. FULLER, after faithful service in the Army of the Potomac, as Chaplain of the 19th Massachusetts Regiment, fell in the attack on Fredericksburg.

This volume gives an interesting biographical sketch of the Chaplain, but its main interest to the public generally, will, of course, be in the graphic picture of

CAMP AND FIELD LIFE

which it presents.

Copious extracts are given from the correspondence of the Chaplain, and the book embodies a vast amount of important information on the subject of the conduct and progress of the war not elsewhere obtainable.

The narrative of the remarkable duel between the Merrimac and Monitor is the only interesting one in print from the pen of an actual eye-witness of the whole affair.

12mo, with Portrait, $1 25.

ALSO, NOW READY:

COMMON PRAYER FOR CHRISTIAN WORSHIP.

A COMPILATION, IN PART, BY THE Rev. JAMES MARTINEAU, of London, and largely introduced to use in England.

Apart from its use in the public service, it is anticipated that the freshness and purity of its prayers, concrete, &c., will render it a favorite book for social and private devotion.

GODEY'S LADY'S BOOK for JUNE.—We call particular attention to this number, because it contains its four fashion-plates furnished to the Lady's Book by the house of Messrs. A. T. Stewart & Co., the celebrated importers of fashionable goods in New-York. The fashions are up to the latest dates, and will be invaluable to those ladies who are about to prepare for the watering-places and other fashionable resorts. The dresses can all be obtained at Messrs. Stewart & Co.'s. These are in addition to our celebrated COLORED FASHIONS, which contain six figures, three of them very richly colored children's dresses. Fashions for the Summer resorts will also be found in this plate.

More than forty other seasonable articles will be found in this number; among which are several of the latest styles for headdresses and hair-dressing.

Cottage Architecture, Crochet-work, and all other kinds of work for ladies abound in the June number.

PRESERVING FRUITS.—The receipts alone for preserving fruits, to be found in this issue, are, to the housekeeper, worth the price of the whole year's subscription.

EDMUND KIRKE'S NEW BOOK,

MY SOUTHERN FRIENDS,
JUST PUBLISHED,

and a very large demand for it already existing.

MY SOUTHERN FRIENDS.

THE PRESS

throughout the country is loudly praising the work, and among others we quote:

"Among the most important works yet published, that have a direct and authentic testimony with reference to the Rebellion, is a work by Mr. Kirke, which may be regarded in a manner as supplementary to and illustrative of his highly popular book, called AMONG THE PINES. In 'MY SOUTHERN FRIENDS' he depicts with graphic ability what fell under his own observation; he draws characters, he paints scenes, he narrates incidents of real life at the South. We are admitted through him to the homes, the plantations, the talks and walks and works of the people now waging a wholly unjustifiable and most vindictive war against the Republic. In their habits of life, their social relations, their personal characters, we find a key to much that is enigmatical in the origin of Secession, in the devotion to Slavery, in the ignorance, prejudice and revenge, which at first struck us with astonishment. These vivid sketches are as interesting as chapters of a novel, and they form an important part of the indirect testimony whereby the future historian will elucidate the present bloody crisis."—[Boston Evening Transcript.

"The author handles his materials with ease and spirit, infusing into his delineations of negro life something very like reality. * * *. His pictures of Southern life, abounding as they do in strong lights and shades, are not in the main unfair. He shows the bright as well as the dark side of Slavery, about which, by the way, he says very little—a very uncommon virtue, certainly, in a writer of Southern fiction."—[New-York Daily World.

"This second book of Sketches of Southern life by the author of 'Among the Pines,' is as fresh and pathetic and tragical as that was, and should be rewarded with an equal sale. Kirke is a graphic writer. This little volume of his hardly requires more than a mention, coming from a pen whose power has already been fully conceded. The pages do not furnish fiction, but absolute truth. Its style is attractive and engrossing; the dialogues running through it are captivating to the last degree; and the pictures it daguerreotypes will not soon be forgotten by those who once look steadily upon them. No more stirring writer nibs a pen among the literary laborers of the day."—[Boston Banner of Light.

The success that has attended the publication of "Among the Pines," has been of the most extraordinary character. With Hugo's "Les Miserables," it stands as one of the great successes of the publishing season. Extravagantly praised by every one—both as the most truthful picture of Southern life ever written, as well as a work of great dramatic and powerful interest, it ranks confessedly as one of the marvels of American authorship, and it is not surprising that its sale has nearly reached the enormous number of 40,000 copies within so short a period of publication.

THE NEW BOOK,

'MY SOUTHERN FRIENDS,'

By the same Author,

while it possesses all the strength and truthfulness of its predecessor, has woven through it a narrative of intense dramatic interest—a charm that will insure for it a popularity exceeding even that of "Among the Pines",

AMONG THE PINES,
AND
MY SOUTHERN FRIENDS.
