THE WEST INDIA
MANUFACTURING COMPANY.
PROPRIETORS OF THE WEST INDIA
Stomach Bitters,
No. 26, South Second Street
SAINT LOUIS.....MISSOURI.

This great Tonic has been introduced to the people of the Mississippi Valley for the past thirteen years, with unbounded success and popularity

There is nothing of the kind extant that equals it as a stimulant, an apetizer, or anti-dyspeptic. It is particularly adapted to malarious districts, and as a

PREVENTATIVE OF CHILLS & FEVER

is not surpassed.

It is endorsed by the best chemists as the most efficacious strengthening Tonic this country has ever produced, the value of which will be recognized by all who may use them.

Private citizens of Arizona visiting St. Louis have expressed their convictions that it is peculiarly adapted to the wants of that Territory, and needs only a trial to insure its speedy introduction there.

Orders addressed to THE WEST INDIA MANUFACTURING COMPANY will be promptly executed.
