THE PEOPLE OF THE STATE OF NEVADA, represented in Senate and Assembly, do enact as follows:

SECTION 1. Every parent, guardian or other person in the State of Nevada, having control or charge of a child or children between the ages of eight and fourteen years shall be required to send such child or children to a public school for a period of at least sixteen weeks in each school year, at least eight weeks of which shall be consecutive, unless such child or children are excused from such attendance by the Board of School Trustees of the school district in which such parents or guardians reside, upon its being shown to their satisfaction that the bodily or mental condition of such child or children has been such as to prevent his, her or their attendance at school or application to study for the period required, or that such child or children are taught in a private school or at home, in such branches as are usually taught in primary schools, or have already acquired the ordinary branches of learning taught in the public schools, provided, in case a public school shall not be taught for a period of sixteen weeks or any part thereof, during the year, within two miles by the nearest traveled road of the residence of any person within the school district, he or she shall not be liable to the provisions of this Act.

SEC. 2. It shall be the duty of the Board of School Trustees of each school district in this State, on or before the first Monday in September in each year, to furnish the principal of each public school taught in such district with a list of all children, resident in the school district, between the ages of eight and fourteen years; said list to be taken from the report of the School Census Marshal. At the beginning of each school month thereafter it shall be the duty of the principal of each school in such district to report to the Board of School Trustees of such district the names of children attending school during the previous school month; which, if it shall appear, at the expiration of four school months, to the Board of School Trustees that any parent, guardian or other person having charge or control of any child or children shall have failed to comply with the provisions of this Act, the Board shall cause demand to be made upon such parent, guardian or other person for the amount of the penalty hereinafter provided, when if such parent, guardian or other person shall neglect or refuse to pay the same within five days after making such demand, the Board shall commence proceedings in the name of the school district for the recovery of the fine hereinafter provided, before any Justice of the Peace in the township in which said school district is located; or, if there should be no Justice of the Peace therein, then before the nearest Justice of the Peace in the county.

SEC. 3. Any parent, guardian or other person having control or charge of any child or children, failing to comply with the provisions of this Act, shall be liable to a fine of not less than $50 nor more than $100 for the first offense, nor less than $100 nor more than $200 for each subsequent offense, besides the costs of collection.

SEC. 4. Whenever it shall appear to the satisfaction of the Board of Trustees of any school district in this State that the parents, guardians or other persons having control and charge of any child or children in attendance upon any public school of said district in accordance with the provisions of this Act, are unable to procure suitable books, stationery, etc., for such child, or children, it shall be the duty of such Board to procure or cause to be procured for such child or children all necessary books, stationery, etc., the same to be paid for out of the fund of said school district in the same way that other claims against the school districts are now allowed and paid; provided, that all books, stationery, etc., purchased under the provisions of this Act shall be deemed to be the property of the school district, to be under the care and control of the School Trustees when not in actual use.

SEC. 5. All fines collected under the provisions of this Act shall be paid in to the County Treasurer on account of the State School Fund.

SEC. 6. It shall be the duty of the County Superintendent of Public Schools in each county in this State to cause this law to be published in some newspaper in his county, if any there be, four consecutive times annually for a period of two years; the expense of such publication to be allowed and paid out of the General School Fund of the county. The Board of School Trustees in each school district shall cause to be posted annually, for a period of two years, in three public places in their districts notices of the requirements of this law.

SEC. 7. This Act shall take effect and be in force from and after its passage.

Approved February 25, 1873.
